

UAB

African American/Black Faculty Association

Membership Form

The UAB African American/Black Faculty Association:

- Provides a forum for association and collaboration among African American faculty
- Addresses issues related to the recruitment, hiring, promotion, treatments, and retention of African American faculty
- Promotes professional development and scholarship among African American faculty and students
- Supports and maintains the educational and cultural traditions of African Americans
- Functions as an advisory board on behalf of the African American/Black campus community

Your dues provide support for UAB Community Week Reception, Black History Month programming and speakers, and BWOMEN Celebration of Excellence Awards Ceremony/Reception. We can do much with each person's support!
