

FN Bursted Reports – GA

Below is a listing of the GA-related reports which are automatically burst to designated deliver-to persons, typically the Award Manager. Also provided is the format in which the report is viewed, to whom and when the report is burst, as well as the number of days the bursted report is available for viewing in the Personal Worklist. The reports listed below will also be available for viewing using the Report Viewer; the time frame to view the reports is detailed below. The final two columns indicate if a secondary distribution can be set up for the report and if an ad hoc version of the report is available. Click on the report name to view a sample and brief description.
