Below the table is a navigation menu with several buttons: "Totals", "Events", "Invoices", "Commitments", "Project", "Resource Status", and "Task Status". The "Resource Status" button is circled in black, and an arrow points to it from the "Events" button.

Note: Most attribute information related to a project is maintained at the Award level and is accessible through the [AWARD STATUS INQUIRY](#) function.

The type of information contained in this window is equivalent to that maintained at the Award level. However, remember that the resource status for the entire project is displayed in this view, regardless of funding source.
