The Lobby

The Alumni House Lobby sets the ambience for the whole house with its warm, inviting interior finishes and comfortable seating. The beautiful fireplace and beamed ceiling add to the overall beauty of this area. This is a perfect place to receive guests for your function and set the stage for the rest of your event!

Past President’s Gathering Room

Enter this beautiful room with its outstanding appointments and you’ll think you’ve been transported to a very chic mountain lodge except that the exceptional views outside the windows are of the beautiful UAB campus.

Warm yourself by the fire or enjoy the large flat screen television with surround sound from any seat in the room. This room is perfect for small gatherings and receptions or for overflow from the lobby and larger Alumni Hall. There is also a lovely screen enclosed porch adjacent to the room wonderfully furnished for your guests.
Alumni Hall 1 & 2

Alumni Hall 1 & 2 is the major event venue in the UAB Alumni House. This well appointed, large, light filled space can hold almost 300 people for a reception or can seat 200 for a dinner. The space can actually be divided into 2 smaller venues if you don’t need the entire room. Both sides have identical audiovisual capabilities with large screens and projection systems complete with surround sound as well as window black out screens for ease of viewing projected images. This space allows a group to enjoy powerpoint presentations as well as large screen television and movie offerings. There is a complete catering kitchen adjacent to the venue for easy delivery of food to the space. There is also a wonderful terrace with views of the Alys Stephens Center and UAB’s Abroms Engalls Visual Arts Gallery.

Chapter Rooms A, B & C

The Alumni House also offers 3 executive conference rooms which can be combined into one or two larger rooms with dividing walls. Each conference room has a boardroom style table with 12 high back leather chairs. Each room is AV prepared with large flat screen televisions that are computer compatible for powerpoint presentations or for viewing regularly scheduled television offerings. All are equipped with surround sound and have black out window screens. These rooms are perfect for board meetings or retreats.
