

February 2016

Kindergarten

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1 Name two things (not people) in your house that are taller than you.	2 Draw two rectangles.	3 Adam has 4 baseballs. If he gives 2 baseballs to Jack, how many will he have left?	4 Sara has one more doll than Sue. Sue has 6 dolls. How many dolls does Sara have?	5 Ella is in line behind Cole. Ella is third in line. Where is Cole in line?	6 How many days are in a week? Name the days of the week.
7 Count back from 12 to 1.	8 Jasmine wants to make Valentine's Day cards for her friends. She has 4 friends who are boys and 6 friends who are girls. How many cards does she need to make?	9 Name two things in your house that are square shaped.	10 What comes next? 	11 Draw eight hearts.	12 Name the numbers that come between 10 and 20 when you count.	13 Count the number of forks in your kitchen drawer. Write that number.
14 Which is heavier? A rabbit or a pen? A cow or a cat?	15 Carol wants to buy a candy bar that costs 23 cents. How many pennies would she need to equal 23 cents?	16 Matt's sister is in 4th grade. He is in the grade before her. What grade is Matt in?	17 Bo's team scored 3 more points than Joe's team. Joe's team scored 2 points. How many points did Bo's team score?	18 Write your first name. How many letters are in your first name?	19 Rose has 4 flowers that are pink and 3 flowers that are white. How many flowers does she have?	20 Skip count by 10s to 60
21 Start counting at 32. Count as far as you can.	22 Is a basketball a cube or a sphere?	23 Write the numbers 1-20.	24 Start counting at 24. Count as far as you can.	25 Draw a picture that has one rectangle, two circles, and three triangles.	26 Name two shapes that have four sides.	27 Today is Tuesday. What day was yesterday? What day is tomorrow?
28 When does the sun rise, in the morning or in the afternoon?	29 How many days are in the month of February?
