OUT OF SCHOOL

II

Seven emerging
artists

**Our second (almost) annual Photography Guild event featuring portfolio presentations by UAB student photographers—
Jackson Echols, Truman Grayson, Candice Greathouse, Jonathan Hicks, Fred Mitchell, Joshua Shoemaker, Gretel Watts**

Wednesday, April 1, 2009

Photography Guild members will have an opportunity to meet some exciting young artists—upper level photography students from UAB (students of Sonja Rieger)—as they show our members their current portfolios. This is a great opportunity to get to know our area's next generation of photographers.

The Photography Guild is a support group of the Birmingham Museum of Art.
