Mission Statement
UAB Club Sports provide high-quality, structured, competitive and fun recreation activities that offer participants the opportunity to experience physical, social, and emotional growth in a safe learning environment.

- At least 10 people → students, full or part time

- Provide a current contact person, address, and phone number
- Meet with the Assistant Director to go over club guidelines
- Create a Club Constitution
- Obtain a faculty or staff advisor
- Become a registered student organization the UAB recognized Student Organization process

Eligibility
- UAB full-time students, part-time students
- Teams can have open tryouts and participation meetings to disseminate information and to form their Member Rosters.
- Player eligibility will be verified through UAB’s Registrar’s Office prior to competition.
- Members Rosters should be submitted as often as necessary to maintain an up-to-date list of members.
- Club officers are responsible for maintaining league/conference eligibility.

Although most clubs prefer to not limit membership, it is recognized that in certain cases (e.g., lack of facility space) practical considerations must prevail. In those circumstances, only a certain number can realistically be accommodated for team practices and competition. When necessary, each club is responsible for working out a fair and equitable method for tryouts or limiting club memberships.
- In accordance with the university policy, Club Sport organizations expect participation to be based on a participants self-identified gender and that it is done in good faith and is consistent with the participations expressed gender identity. UAB does not restrict participation based on gender; however, national governing organizations (NGO’s) have additional policies that should be taken into consideration before participating in a competition/game. If there is a question about eligibility with the NGO, the Assistant Director of Competitive Sports and Camps should be notified to have the conversation with the NGO.
