Birmingham Neighborhood Studies:

SW 478; HY 481; HY 683; ARH 484; ARH 584 (T/Th 12:30 – 1:45)

Multidisciplinary approach to solving contemporary neighborhood problems: Art history, History, Social Work

Service Learning and team based approach to understanding history, culture, strengths and obstacles for contemporary Birmingham neighborhoods.

What do you know about the history of Birmingham’s neighborhoods that influences their current conditions? What do you know about current transitions in Birmingham’s neighborhoods? What do you know about current projects being developed in Birmingham neighborhoods?

Opportunities to serve, learn, and grow in Birmingham in partnership with local neighborhoods.
