Course Instructor: Dr. J. S. Hutchison
Office Location: CH 482B
E-mail: hutchiso@uab.edu
Office Phone #: (205)-934-2154
Office Hours: TuTh 1:30 – 2:30 PM, Wed 2:30 – 4 PM
Other times by appointment and by dropping in
Meeting Times: MTWR 11:15 am – 12:05 pm
Meeting Location: CH 443
Prerequisite: Grade of C or better in MA 106, MA 107 or equivalent
Credit: 4 semester hours

Important Dates:
First day of classes: Monday, August 25, 2014
Last Day to Drop/Add (without paying full tuition & fees): Tuesday, September 2, 2014
Labor Day Holiday: Monday, September 1, 2014
Last day to withdraw with “W”: Wednesday, October 24, 2014
Fall/Thanksgiving Break: Mon – Fri, November 24-28, 2014
Last day of classes: Friday, December 5, 2014

Major Exams (tests)
Test I: near Wednesday, September 24 (Sec. 1.1-1.6, 2.1-2.5)
Test II: near Wednesday, October 15 (Sec. 2.8, 3.1-3.5)
Test III: near Tuesday, November 4 (Sec. 3.7, 4.1-4.5)
Test IV: near Thursday, November 22 (Sec. 3.6, 5.1-5.3)
Final Exam: Wednesday, December 10, 1:30 – 4:00 pm
(Location to be announced.)

Course Policies

- Please make sure that you are able to receive e-mail through your Blazer-ID account. Your instructor will be communicating important announcements this way.
- Turn off all cell phones during class.
- If you are contacted by the Early Alert Program, consider taking advantage of the services provided.
- If you wish to request a disability accommodation please contact Disability Support Services at 934-4205 or at dss@uab.edu.
- The two lowest quiz grades and the two lowest homework grades will be dropped to account for any missed assignments due to illness or any other circumstance. If a test is missed due to a serious verifiable circumstance or official university business, the test grade will be replaced with the properly rescaled final exam score. If you miss the final exam you will receive a zero score for this exam. In all cases you must contact your instructor about such circumstances before the exam takes place.
- Calculators (without internet access) will be allowed during the tests and quizzes. In addition, students may bring one quick reference card to tests (i.e., a standard 5"x7" index card; both sides may be used.

Methods of Teaching and Learning:

- Class meetings of 50 minutes consisting of lectures and discussion of examples and homework problems. Time for quizzes and four in-class tests is also included.
Students are expected to undertake at least 10 hours of private study and homework per week. The on-line homework system Enhanced WebAssign will be used. More information follows below on this.

Assessment Procedures
Student achievement will be assessed in the following ways:

a. **Regular on-line homework.** Homework will normally be due one week or less after a section is assigned. Feedback is provided when wrong answers are given. Students are able to retake the assignments (with randomly changed parameters) to obtain correct answers. A limited number of submissions (at most 3) is allowed during the time the set is available. Homework contributes 5% to the course average. Problems on tests are modeled after homework problems and quizzes. Staying on top of the on-line homework (as well as working daily practice problems) is therefore extremely important.

b. **Unannounced/Announced Quizzes.** Quiz problems are similar to homework problems. This allows students to gauge whether they are ready to work problems in a test situation. Partial credit is awarded where appropriate. Quizzes and projects contribute 10% to the course average.

c. Four 50-minute in-class tests which will include short questions involving basic skills as well as problems requiring in-depth understanding. Each test contributes 12% to the course average.

d. A 150-minute comprehensive final examination including problems covering basic skills and in-depth understanding. The final exam contributes 37% to the course average.

- Your course performance is your course average (including the final exam score). This is a number between 0 and 100.
- Your final grade is determined according to the following table:

<table>
<thead>
<tr>
<th>Course performance</th>
<th>88-100</th>
<th>75-87</th>
<th>62-74</th>
<th>50-61</th>
<th>Below 50</th>
</tr>
</thead>
<tbody>
<tr>
<td>Final Grade</td>
<td>A</td>
<td>B</td>
<td>C</td>
<td>D</td>
<td>F</td>
</tr>
</tbody>
</table>

In addition, your grade may be raised by a strong performance on the final exam (normally at most one letter grade).

**TIPS**

- Help is available in the Math Learning Lab (HBB 202). M-Th 9-8, F 9-5. See schedule on math website [www.math.uab.edu](http://www.math.uab.edu). There will be special tutoring hours for calculus.
- Past exams given in Calculus I are posted on the math website [www.math.uab.edu](http://www.math.uab.edu) for student practice. Click on Test Bank under the Student Resources link.
- Regular class attendance, working steadily and regularly, and seeking help when needed will all increase your chances to succeed in this course.
- Remember that being a full-time student is a full-time job.

**How to get started on Enhanced WebAssign (the on-line homework):**

The following document and video link should walk you through the registration process and give you additional information on Enhanced WebAssign: [http://tinyurl.com/EWA-student-registration](http://tinyurl.com/EWA-student-registration)

Basic information on how to get started on WebAssign also appears below:
(0) Go to www.webassign.net and click on I Have a Class Key in the signin link.

(1) Enter the following course key:

**uab 5966 7630**

and proceed. (If prompted for your institution, enter uab)

(2) When prompted to purchase an access code, select… “**trial period**”. (You do not need to purchase an access code at this time. However, you must purchase an access code within two weeks for you to continue using the system beyond the two week trial period. The system will prompt you to enter your access code when the deadline approaches. (Your book may have an access code bundled with it. You must use it.)

(3) After your first registration, you can sign in as a returning user.

(4) Should you run into technical problems Enhanced WebAssign provides technical support online and/or by phone.

- Chapter 1: 1.1 – 1.6
- Chapter 2: 2.1 – 2. and 2.8
- Chapter 3: 3.1 – 3.7
- Chapter 4: 4.1 – 4.5
- Chapter 5: 5.1 – 5.3
