CCTS FORUM
The Business of Clinical Trials
Who Pays? Who Profits?

WEDNESDAY, JULY 5
4:45–6:00 PM

What would you do with more clinical trial dollars?

SPEAKERS

Steve Rowe, MD, MSPH
Director, Gregory Fleming James Cystic Fibrosis Research Center
Co-Director, CCTS Children’s Health Research Unit

Mansoor Saleh, MD
Medical Director, UAB Clinical Trials Administration Office
Director, CCTS/CCC Phase I Clinical Trial Unit

Mark Dransfield, MD
Department of Medicine Professor, Division of Pulmonary, Allergy, and Critical Care

What are the critical considerations in crafting and negotiating a fair and appropriate clinical trial budget? Join us for a discussion of the financial realities and hidden costs of implementing a trial. When done right, research units have everything to gain.
