

# Apply for Funding to Pursue a Concept in CNICS Cohort

The purpose of this opportunity is to engage new researchers by providing funding to support a new CNICS Concept.

## Requirements for submitting a proposal:

- Must be a new investigator to CNICS (no prior approved CNICS concepts)
- Submit a [CNICS Concept Proposal](#) (Word File)
- Provide a budget, budget justification, and biosketch (PDFs)
- Funding is for 1 year up to \$10K direct costs. Indirect costs covered.
  - Matching funds from your CFAR are encouraged.

*Proposals not meeting all requirements will not be reviewed.*

*4-5 Awards will be given*

## Proposal Guidelines:

- Download Study Application [here](#) or on <http://www.uab.edu/cnics/>
- Submit detailed budget, justification and PI's biosketch with the proposal
- Funding will be based upon the scientific merit, significance, approach, and innovation. Details of the Research Coordinating Committee (RCC) Formal Review Process can be found [online](#).

**Deadline to submit: 12/15/2017**  
**Funding by 2/1/2018**

**Submit to Mary Thielen by email at**
