You can reserve a room by using our UAB Code. Follow directions below.

You can book a room with either sheratonbirmingham.com or westinbirmingham.com.

First, identify your reservation dates and number of adults/children in the room.

Then, click the tab at the top “change rates” and then check the option “SET/Corporate Account #253833”. See below. Use the UAB code 253833.

![Select Room](image)

and selecting the rate.

![UAB](image)

Then the guest can enter their credit card information and book the room(s). Keep in mind a credit card or credit card authorization is required at check in.

If you have any questions or need help booking a room, please contact
