## Health Education/Promotion Core - 12 hours

- **HE 705** Theoretical/Scientific Basis of Health Education 3 hours – Fall 1\textsuperscript{st} yr
- **HE 710** Planning/Administration of Health Education 3 hours – Spring 1\textsuperscript{st} yr
- **HB 740** Advanced Program Evaluation 3 hours – Fall 2\textsuperscript{nd} yr
- **HE 700** Seminar 1, II, III 3 hours (I Fall, II Sp, III Fall)

**Note:** Under the guidance of your advisor and based on prior academic experience, students may be required to take additional courses prior to the completion of Health Education/Promotion core.

### Written Core Comprehensive Examination

## Research and Statistics Prerequisites: Students are required to have completed the following courses (or equivalents) BEFORE enrolling in the Advanced Research and Statistical Methods Core.

- **EPR 608** Statistical Methods and Research in Education: Introduction (with EPR 607 lab)
- **EPR 609** Statistical Methods and Research in Education: Intermediate
- **EPR 596** Introduction to Qualitative Methods of Educational Research
- **EPR 692** Introduction to Educational Research Design (will become EPR 594)

## Advanced Research and Statistical Methods Core - 12 hours minimum

- **EPR 710** Advanced Multivariate Statistics 3 hours
- **EPI 610** Advanced Epidemiological Research Methods 3 hours
- **EPR 696** Theoretical Foundations of Qualitative Research 3 hours

### Graduate Research Design course 3 hours (choose one course that fits the needs of your dissertation and with the approval of your advisor. Two examples are listed below, but other courses could apply)

- **EPR 792** Mixed Methods in Educational Research 3 hours
- **EPR 695** Survey Research Design 3 hours

### Social/Behavioral Sciences Core – 12 hours minimum (Courses related to dissertation topic)

## Research Internship – 12 hours minimum (HE 640/641, HE 691/692, HE 702)

## Dissertation - 24 hours minimum - HE 799

**Minimum total semester hours = 72**

**Note:** If the academic advisor foresees deficiencies in the student’s progress/coursework (writing quality issues, research competency), the advisor may require additional courses. This is why the checklist says “MINIMUM of 12 hours”. The advisor and program director will make the final decision of any additional coursework.

**Note:** It is the student’s responsibility to keep up with the UAB Graduate School’s policies. [www.uab.edu/graduate/](http://www.uab.edu/graduate/). All deadlines and online forms are contained on this website.
