### ALSDE Requirements for Class A Certification in French and English to Speakers of Other Languages

Prospective students should NOT begin any coursework without first seeking a transcript evaluation and advisement from the Office of Student Services (call 205-934-7530). Students who ignore this admonition assume responsibility for their own mistakes.

No more than five courses on this checklist may be taken prior to unconditional admission to the Alternative Master's Program for dual certification in French and English to Speakers of Other Languages.

Once a candidate has completed checklist requirements and has met all admission, exit, and certification requirements, the candidate will be eligible for Alternative Class A certification in both French and English to Speakers of Other Languages. To be eligible for dual certification, the candidate must:

- submit a completed application for certification during the last term of enrollment in the Alternative Class A ESOL Education Program (and no later than 60 calendar months following completion of this degree program);
- obtain a passing score on the Praxis II #0361 English to Speakers of Other Languages;
- complete the alternative Class A program with a minimum GPA of 3.0 on all courses on this checklist;
- achieve a passing score on a comprehensive assessment documenting mastery of the curriculum; and
- meet all other requirements for the Alabama Educators Certification Testing Program (AECTP).
