Program Admission Requirements for Class A Certification in Collaborative Teaching

In addition to meeting the requirements for admission to the Graduate School, a candidate must meet requirements for unconditional admission to the Collaborative Teacher Program. To be eligible for unconditional admission to this Class A certification program, a candidate must hold a valid Alabama bachelor's level Professional Educator Certificate.

Please Note: If an individual is unconditionally admitted to this Class A program based on a valid bachelor's level professional educator certification from another state, this individual must hold valid Alabama Class B Professional Educator Certificate before completing this Class A program and subsequently applying for Alabama certification at the Class A level in Collaborative Teaching, K-12.

ALSDE Requirements for Class A Certification in Collaborative Teaching

Prospective and admitted students should NOT begin any coursework without seeking advisement from the Office of Student Services (call: 205-934-7530) each term. Students who ignore this admonition assume responsibility for their own mistakes.

Once a candidate has completed checklist requirements and has met all admission, exit, and certification requirements, the candidate will be eligible for Class A certification in Collaborative Teaching K-12. To be eligible for this certification, the candidate must:

- submit a completed application for certification during the last term of enrollment in the Class A Collaborative Teacher Program (and no more than 60 calendar months following completion of the degree program);
- complete the Class A program with a minimum GPA of 3.25 on all courses on this checklist;
- achieve a passing score on a comprehensive assessment documenting mastery of the curriculum;
- possess a Class B Professional Certificate
- meet all requirements for the Alabama Educators Certification Testing Program (AECAP).
