ALSDE Requirements for Class A Certification in Physical Education

Prospective and admitted students should NOT begin any coursework without seeking advisement from the Office of Student Services (call: 205-934-7530) each term. Students who ignore this admonition assume responsibility for their own mistakes.

Once a candidate has completed checklist requirements and has met all admission, exit, and certification requirements, the candidate will be eligible for Class A certification in Physical Education. To be eligible for this certification, the candidate must:

- submit a completed application for certification during the last term of enrollment in the Class A Physical Education Program (and no more than 60 calendar months following completion of the degree program);
- complete the Class A program with a minimum GPA of 3.25 on all courses on this checklist;
- possess a Class B Professional Certificate in the Physical Education Program;
- meet all requirements for the Alabama Educators Certification Assessment Program (AECAP).

Dean of Education: [Signature]
Date: 5-23-16

Please Note: If an individual is unconditionally admitted to this Class A program based on a valid bachelor’s level professional educator certification from another state, this individual must hold valid Alabama Class B certification in Physical Education before completing this Class A program in Physical Education and subsequently applying for Alabama certification at the Class A level in Physical Education.

National Board Certification in Physical Education can be transferred in as 6 hours of credit for KIN 694 Special Projects in Physical Education

Program Admission Requirements for Class A Certification in Physical Education

In addition to meeting the requirements for admission to the Graduate School, a candidate must meet requirements for unconditional admission to the Physical Education Program. To be eligible for unconditional admission to this Class A certification program, a candidate must hold a valid Alabama bachelor’s level professional educator certificate in Physical Education.

Please Note: If an individual is unconditionally admitted to this Class A program based on a valid bachelor’s level professional educator certification from another state, this individual must hold valid Alabama Class B certification in Physical Education before completing this Class A program in Physical Education and subsequently applying for Alabama certification at the Class A level in Physical Education.
