INSTRUCTIONS FOR PREPARING PROMOTION AND TENURE APPLICATIONS
May 2011

Using the sequence as outlined below, organize and attach the promotion and tenure materials in a one or two inch binder using the same specific tab divider labels as indicated in bold print. Only the documentation requested should be submitted to the Provost's Office. Retain all other supporting documentation within the school.

Promotion/Tenure Action Summary Form - This form should be completed and signed prior to submitting. Use revised form dated May 2011.

Promotion and Tenure Guidelines - Include a copy of the appropriate school/department guidelines for promotion and tenure.

Curriculum Vitae - This document should be current and complete. It is a valuable reference for the review process.

Recommendation Reports/Letters (for promotion/tenure) - This section should include a signed and dated report or letter from the following, clearly indicating the title/role of the individual(s) making the recommendation:
• Department Review Committee (if applicable)
• Department Chair 90
• School Review Committee
• Dean

Evidence of Teaching Effectiveness - Summarize teaching reviews, including student ratings and other assessment methods used by the school (i.e. peer evaluation, reviews of course materials, teaching portfolio summaries). A summary table documenting all courses taught with summary scores is one way to present information. If IDEA student ratings are used, include scores for: progress on relevant objectives, overall ratings for excellent teacher, overall ratings for excellent course, and summary evaluation. Do not include individual student forms.

Evidence of Research Productivity - This section should include any additional evidence that is not reflected in the vitae. Including copies of publications is not recommended.

Summary of Service Activities - This section should include any additional evidence that is not reflected in the vitae.

External Reviewer Letters - A minimum of three letters from non-UAB reviewers is required. It is not necessary to include letters from internal (UAB) reviewers in this section. Candidates who wish to include letters of support from other UAB faculty should include these in the appropriate sections related to teaching, research, and service, depending on the focus of the letter.

Annual Reviews - Include annual performance reviews from department chairs, as well as pre tenure and/or pre-promotion reviews from departmental and school review committees. Arrange in chronological order within this section.
Additional Recommendations

Careful attention to the instructions listed above, as well as adhering to the information listed below should promote a more rapid, efficient review of the candidate's request for promotion and/or tenure.

1. Thoroughly complete each section of each form, providing explanations where appropriate. Obtain all signatures (faculty member, department chair, dean, department and school review committee chairs) as appropriate for each form.

2. If the applications will be late, contact the Office of the Provost prior to the deadline.

3. Remove staples so that pages within the binder turn easily. Do not use sheet protectors for the pages in the binder.

NOTE: Please note that the FACULTY DATA FORM is no longer required as part of the Promotion and Tenure application process.
