The University of Alabama at Birmingham

ORTHODONTIC ASSISTANT PROFESSOR

The Department of Orthodontics at the University of Alabama at Birmingham invites applications for a full-time regular Assistant Professor, tenure earning, a clinical-emphasis-track faculty position. Responsibilities include teaching human growth and craniofacial development, didactic and clinical orthodontics and research methodology to pre-doctoral and post-doctoral students. Qualified candidates must possess a DMD/DDS or equivalent, an Orthodontic certificate from a CODA accredited program and be eligible for certification with the American Board of Orthodontics. Eligibility for dental licensure in the United States is also required. Priority will be given to candidates with in depth experience in 3D-imaging, a track record of leadership in teaching, publishing in well-regarded journals and experience in digital orthodontics. Experience in supervising pre-doctoral dental students, post-doctoral residents, and post-graduate doctoral candidates is highly desirable. The candidate will be expected to establish independent research funding.

Salary will be commensurate with qualifications and experience. This search will begin immediately and will end when the position is filled. Qualified applicants, please follow this link to apply: <http://uab.peopleadmin.com/postings/2861>.

UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation. UAB also encourages applications from individuals with disabilities and veterans. A pre-employment background check investigation is performed on candidates selected for employment.
