The University of Alabama at Birmingham

## ENDOWED CHAIR IN NEPHROLOGY

The University of Alabama at Birmingham, School of Medicine, Department of Medicine, Division of Nephrology seeks applications from physician-scientists or clinician-investigators, who are board certified nephrologists, for the position of Associate Professor or Professor, with tenure status and salary commensurate with qualifications and experience. The successful candidate will hold the Hilda B. Anderson Endowed Chair in Nephrology. A proven track record of extramural research funding is required. Candidate must have demonstrated ability to successfully mentor young investigators and to foster and strengthen collaborative ventures. Candidates pursuing clinical/outcomes research in the field of nephrology and renal transplantation would be preferred. Please follow this link to apply: <http://uab.peopleadmin.com/postings/1841>.

A pre-employment background investigation is performed on candidates selected for employment. Physicians and other clinical faculty candidates who will be employed by the University of Alabama Health Services Foundation (UAHSF) or other UAB Medicine entities, must successfully complete a pre-employment drug and nicotine screen to be hired. UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of, race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation. UAB also encourages applications from individuals with disabilities.
