## Told From The 19<sup>th</sup> Hole: The Real Story Behind Electron- Based Dissociations

Thursday, April 29<sup>th</sup> 2010

5:00 – 6:00 p.m.

(Refreshments will be served)

*Please join us for a discussion hosted by **Dr. Neil Kelleher** from Northwestern University, a renowned leader in the field of intact protein mass spectrometry. His research has expanded the field of proteomics through novel fragmentation methods and bioinformatic developments that allow identification and characterization of intact proteins inside the mass spectrometer.*

**Finley Compass Bank Conference Center  
720 20<sup>th</sup> Street South.**
