APPLYING FOR A SOCIAL SECURITY NUMBER

Who is eligible for a Social Security number (SSN)?

Anyone authorized by USCIS to work in the US or eligible to work incidental to their immigration status. F-1 and J-1 students must have a job offer in hand before applying for an SSN.

Where do I go to apply for an SSN?

Social Security Administration
1200 8th Avenue North
Birmingham, AL 35285
Office hours are 9:00 a.m. to 4:00 p.m., Monday through Friday (free parking available)

What documents do I need to bring?

- Valid passport
- Most recent Form I-94 (print from https://i94.cbp.dhs.gov/I94/consent.html)
- One of the following: DS-2019; I-20; or H-1B, O, or TN Form I-797, Approval Notice
- Employment Authorization Card, if required (i.e., J-2 dependents and certain H-4 spouses)
- F and J students must have their department complete the first page of the On-Campus Employer Verification and then return the form to ISSS to complete the second page. The second page cannot be finalized until the department has contacted payroll and completed processing of your initial ACT document through Oracle.

What if I have applied for a change of non-immigrant status while in the US?

If you changed status from within the US and have not left the US since the change of status was approved, please contact ISSS for special instructions prior to applying for your SSN.

How do I apply?

Take the documents listed above to the Social Security Administration office. Complete an application and show your documents for identification purposes. The Social Security Administration will review and return your documents. Because the I-94 is an electronic record entered at the port of entry, your information should already be in the SAVE system. If your application is accepted, it will take approximately 2 weeks to receive your Social Security card in the mail once your I-94 number is cleared. If your application is rejected, ask for a supervisor. If a supervisor is unavailable, call ISSS at (205) 934-3328.

Can I obtain my SSN prior to receiving the actual card in the mail?

No, you must wait for the physical card to arrive in the mail. The Social Security Administration does not provide proof of the number at the local office.
