The non-degree category serves students who do not wish to pursue a graduate degree at UAB, as well as those who wish to begin taking graduate-level coursework before being admitted to a degree-seeking program. In no case can more than 12 graduate credit hours earned as a non-degree student be applied toward a degree.

It is my understanding that by signing this form, I will not be allowed to use any graduate credit hours over the 12 hour limit toward a degree at UAB.

### Agreement

I have read and understood the provisions for continuing to take classes as a non-degree student.
