IT'S A CONTEST

The Research Civitan Club is sponsoring a contest to solicit science-inspired art from trainees (graduate, professional, and postdoctoral level).

We are seeking entries in the following categories:

1. Unaltered scientific images (pseudocoloring, clean-up allowed)
2. Altered scientific images (artistic renditions of your scientific images)
3. Other modalities representing your work.

If you submit your work electronically, we will have the images printed. Entries are due by **September 18, 2013.**

Prizes will be awarded at the art auction.
