

HEALTHY AGING

AN ELDERCARE EDUCATION SERIES

Presented by the UAB Employee Assistance & Counseling Center and Senior Care Authority

All About Veterans Benefits

Join Glenn Osborne, Doctor of Applied Science — Gerontology at the University of Sydney and Managing Director of Elder Veterans Legal Aid Group, for a discussion on veterans benefits. Participants will gain a clear understanding of the two disability benefits administered by the VA (compensation and pension), including the eligibility requirements for each, and will learn about the real “aid and attendance” special benefit. The discussion will include guidance on how to use benefits to assist with defraying the cost of in-home or facility-based care.
