

Adding a Signer to a Performance Review:

1. Once you (the manager) have completed your review, you may need to add a signer to the review (ex. Senior Leadership, Director, etc.). Select the small plus (+) sign at the top of the page.

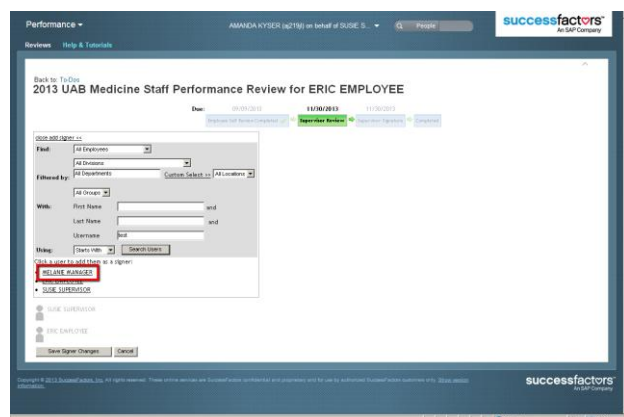

2. Select the “add signer” link.

3. Use the search tool to find the individual you need to add. You can filter by employees with or without direct reports, by division, department, or location. You can also input first name, last name, and/or username. Then select “Search Users.”

4. A list will populate below the search table. Locate the correct person and click on their name.
