The First Annual
Alabama
Cancer Control Summit
June 17, 2005
Intent and Overview

The Alabama Cancer Control Summit will serve as a platform to launch and promote the sustainability of the 2006-2010 Alabama Comprehensive Cancer Control Plan developed by the Alabama Comprehensive Cancer Control Coalition (ACCCC), an initiative of the Alabama Department of Public Health (ADPH) and the Center for Disease Control and Prevention (CDC).

Objectives

Upon completion of the summit, the participant should be able to:

• Describe the development of the 2006 – 2010 ACCCP
• Recognize Alabama’s role in the context of the national imperative to develop statewide comprehensive cancer control plans
• Identify at least one highlight from the past five years from each of the six areas of the cancer continuum:
  • Prevention
  • Early Detection
  • Survivorship
  • Environmental, Medical, and Occupational
  • Surveillance
  • Research
• Assess possible resources and assets to support Plan implementation
• Explain the 2006 – 2010 ACCCP approach to Advocacy, Disparities, and Research
• Consider specific implementation methods and opportunities that will have an impact on reducing cancer-related health disparities over the next year

Who Should Attend

The program is designed for physicians, nurses, multidisciplinary healthcare professionals, community leaders, industry leaders, researchers, and cancer advocates interested in implementing the Alabama Comprehensive Cancer Control Plan.
Continuing Education Credit

Application has been made for continuing nursing education approval to the American Cancer Society, Mid-South Division, Inc., which is approved as a provider of Continuing Education in Nursing by the Alabama Board of Nursing.
