The Employment Verification Report is located under the Self Service responsibility in the Oracle Administrative System. The report allows employees to obtain a printable verification of current employment information with or without salary details and earnings history. It may be printed and delivered to the party requesting the information. Each form has a unique identification number that enables the Payroll Services/UAB HRM Records area(s) to verify and/or validate the data.

UAB Self Service Applications → Employment Verification Report

The PERSONAL HOME PAGE is your point of access to the UAB SELF SERVICE APPLICATIONS.

On the UAB SELF SERVICE APPLICATIONS link to access the UAB SELF SERVICE APPLICATIONS menu. The Self Service Applications menu should resemble the one to the right. Click on the EMPLOYMENT VERIFICATION REPORT menu option.
Employment Verification Report (Excluding Earnings History)

The **Employee Verification Submit Form** will load. To exclude earnings history, remove the **check** from the box as indicated in the graphic and select **Submit**.

The **Verification Details** page will load. The information is accurate as of the day of the request.

**NOTE:** Each verification form contains a unique identification number. The number is located in the upper and lower right hand corner of the form.

The verification form is divided into two sections. The **Person Information** section includes the employee’s social security number, employee identification number and name.
The **Employment Information** section includes the employee’s hire date, employment status, current job title and termination date.
