We invite you to submit a program proposal related to cardiovascular nursing for presentation at the annual UAB Cardiovascular Conference. Advanced Nursing Practice topics, general breakout session topics, oral or poster presentations will be considered.

Topics should relate to cardiovascular nursing in various patient settings.

Proposal Formats:
Submit proposal as described below either via e-mail (to Doris Strother), 3.5” floppy disc or CD-R compact disc. Proposals are limited to one page, 1 ½ inch margin on left side with other margins 1 inch, single-spaced, font size 12.
Proposals should include:
♥ Author(s) names, credentials, and institutional affiliations centered at the top of the page (this will be removed for blind review process)
♥ Title of presentation
♥ Purpose of presentation
♥ Type of presentation:
  ♥ General Breakout Session
  ♥ Poster Session
♥ Indicate preferred presentation method: ORAL OR POSTER
♥ Learning objectives
♥ Narrative summary of presentation
♥ Conclusions and applications to current and future nursing practice or patient care.

Also Include:
♥ Current Curriculum Vitae that includes author’s names, addresses, and telephone numbers (one author/presenter must be a Registered Nurse).

Note:
♥ Final selection and notification of presenters will be made by April 21, 2006.
♥ First author only receives complimentary registration
