The Birmingham Chapter of SOHN was formed this past year and is one of only 13 chapters in the United States. The Chapter's membership has grown tremendously during this past year and has had many accomplishments. The Chapter sent 6 of its members to the National Congress Meeting in Washington, D.C. this past September to receive their charter. The Chapter's goals for this year include conducting an ENT screening at the Talladega Race in April and attending the National Meeting in Chicago in September.

This is the 3<sup>rd</sup> Head and Neck Nursing Conference presented at UAB Hospital. The Birmingham Chapter of SOHN sponsored the last conference and is also sponsoring the conference for this year. The Birmingham Chapter is excited to be incorporating the ENT group from Children's Hospital into the conference this year.

The conference will be held in the Margaret Cameron Spain Auditorium in the Spain Wallace Building at the University of Alabama at Birmingham. The entrance to the auditorium is located at the corner of 7th Ave. South and 19th Street.
