This seminar is designed to assist neurologists and other healthcare professionals by providing information about current concepts in neurology.

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for CME through the joint sponsorship of UAB and the Alabama Academy of Neurology to provide continuing medical education for physicians.

UAB designates this educational activity for 7.0 hours (maximum) in category 1 credit towards the AMA. Physicians should only claim those hours of credit that he/she actually invests in the educational activity.

The Hilton offers free shuttle service providing round-trip transportation to the Summit Shopping Center and the Shops at the Colonnade.
