UAB School of Natural Sciences & Mathematics

Travis Wood Memorial Mathematics Scholarship Application

Applicants must be students majoring in mathematics. Candidates should have a B average overall and in their mathematics courses, and must have completed Calculus III. Preference will be given to full-time undergraduates with dependents who are in need of financial aid. Special consideration is given to mature candidates who have suffered an interruption in their education. Graduate students and part-time students are also eligible.

Name_____
Last **First** **Middle**

Preferred Name_____ **Email:** _____

UAB Student Number or **Phone Number:** _____
or Social Security Number: _____

Current Mailing Address_____

_____
(City) **(State)** **(Zip Code)**

County of Legal Residence_____ **Hometown**_____
