## **IMPORTANT MESSAGE!**

### **A message to owners of portable GPS systems:**

Along with the increased popularity of GPS systems, comes a national increase in thefts of the units. Unfortunately, a growing number of vehicle break-ins involving GPS systems have been reported on the UAB campus, as well. The UABPD warns owners to be vigilant by keeping the devices (and mounts) out of sight when leaving their car. Take the device with you or lock it in the trunk. Hide the device before arriving at your destination. Keep in mind, if thieves can see it, they will try to steal it.

If you have any information concerning these thefts, please call Detective/Sergeant Angela Woods at 934-6860.
