Application Process

Application Deadline: Priority deadline is January 15. Please contact the Department of Physical Therapy to obtain a complete application packet.

Requirements for Admission: The applicant must hold a baccalaureate degree from a regionally accredited college or university. Acceptance will be based on ability and aptitude for a career as a physical therapist. Applicants must also: 1) have a minimum GRE score of 550 on Verbal, 550 on Quantitative sections, and a 3.5 on analytical writing 2) have a minimum of 3.0 (A=4.0) overall grade point average and on the last 60 semester hours of coursework, 3) have a minimum academic average performance of at least a “C” or better in all prerequisite courses, 4) attend personal interview if scheduled with the program committee.

After Accepted 1) provide proof of Healthcare Provider CPR certification, 2) complete a health data questionnaire with satisfactory screening by the UAB Medical Center Student Health Service, 3) criminal background check.

Essential Requirements: Completion of this program does not automatically qualify one to practice Physical Therapy, as state law regulates the practice of Physical Therapy. For information on eligibility requirements, contact your state’s Board of Licensure for Physical Therapy. Fundamental tasks, behaviors and abilities that are necessary to successfully complete the academic and clinical requirements of the program and to satisfy licensure/certification requirements have been outlined and are available upon request from the program office. Students requesting disability accommodations must do so by filing a disability accommodation request in writing with the program office.
