

IT INTERNSHIP PROGRAM

GRADUATE INTERNSHIP OPPORTUNITY

IT INTERN (Network Assistant)

Department:

This position is in the Telecommunications Department (User Services).

Work Schedule:

This is a part time position. You will be required to work 20 hours per week. Hours are flexible.

Rate of Pay:

- **Stipend** - This position pays \$13.00 per hour (up to \$13,520 per year).
- **Scholarship** - You will receive a scholarship of up to \$4,500 per year for tuition, books, and other educational expenses. Some restrictions apply.

Job Description:

Working under the supervision and direction of User Services personnel, this position will assist with the campus wireless deployment project. Duties may include site surveys, configuration of wireless devices, user support, and documentation.

Education and Experience Requirements:

This is a graduate internship opportunity. You must be currently enrolled in a graduate degree program at UAB to be considered for this position.

Familiarity with Linux, Windows 2K/XP, and MacIntosh operating systems is required. Experience with Python, Bash, LDAP and MySQL preferred. Previous experience using any type of PDA device is a plus. Some coursework in network protocols required. Data collection and data/records management experience preferred but not required. Non-technical writing skills helpful.
