How to Register for a Class in the UAB Learning System

1. Log In
   - Go to the UAB Learning System at www.uab.edu/learn.
   - Log in using your BlazerID and strong password.
   - Choose Campus under Student. (Everyone taking a course in the Learning System is labeled a student. We cannot change this. Sorry.)
   - Click the green Login button.

2. Search for the Course
   - In the Learning System, a class must be contained inside a course. Courses are listed in the catalog.
   - Click on the word Catalog at the top of your screen.
   - Type the name of the course in the search box.

3. Select the Course
   - Click on the link to the course. (Under the title of the course, it should state Activities: Live Class.)

4. Enroll in the Course
   - Before you can sign up for the class, you should enroll in the course.
     ○ However, you can click on the button, Choose Class, but some of them may be locked until complete the other activities first.
5. Select the Class

- If there are multiple classes being taught, make sure you check the name of the class, location, date, and time before clicking the green Register button.

![Choose Class](https://example.com/choose-class)

- If there are no classes scheduled at this time, you will see the message below.

![Classes](https://example.com/classes)

6. Registered

- Once you are registered, the box shown here should pop up in the upper left corner of your screen, and you should receive an e-mail notification from the system.

7. Can’t Attend?

- If you are unable to attend, we ask that you log into the Learning System and un-enroll or drop the class as soon as possible to allow others to attend.
