How to Self-Enroll in a Course in the UAB Learning System

1. Log In
   - Go to the UAB Learning System at www.uab.edu/learn.
   - Log in using your BlazerID and strong password.
   - Choose Campus under Student. (Everyone taking a course in the Learning System is labeled a student. We cannot change this. Sorry.)
   - Click the green Login button.

2. Search for the Course
   - In the Learning System, classes must be contained inside a course. Courses are listed in the catalog.
   - Click on the word Catalog at the top of your screen.
   - Type the name of the course in the search box.

3. Select the Course
   - Click on the link to the course.

4. Enroll in the Course
   - Click on the green Enroll button. You are now enrolled in the course.

5. Can’t Attend?
   - If you are unable to complete the course, we ask that you log into the Learning System and un-enroll from the course as soon as possible.
