

**Want to access your Lister Hill Library account 24/7 to renew your items, request a hold for a book, or just to see how many items you have checked-out and when they're due?**

**Here's how to register:**

- Visit our website at [www.uab.edu/lister](http://www.uab.edu/lister)
- Click on the "Catalog" selection in the half-circle.
- Then click on the "My Account" tab near the top of the page.
- Click the "Register as a new user" link
- On the "Choose an Agency" page, choose Horizon and click "Next"
- Select a user name and enter it in the first field (**Do not use your Blazer ID**)
- Enter your password in the second field. (When you register as a new user, this should be your last name and the last four digits of your Social Security number. You can reset your password on a subsequent visit to the site.)
- Select and enter a security question in the third field.
- Enter the answer to your security question in the next field.
- Confirm your password by re-typing it in the last field (**Note: your password will not be concealed as you enter it in this field**)
- Click the "Finish" button.
- You should then see a message that says you've successfully registered.
- If you have problems registering, call 934-3306 for help.

Your password can be reset anytime after you've successfully registered online by following the top three bullets above, then clicking on the "Reset your password" link.

**PLEASE NOTE: It's advised that you put your username and password in a safe place or devote them to memory. For your privacy, the library is never informed of your username, and after your password is reset, library staff does not have access to it. It is each patron's responsibility to remember his / her username and password.**
