

FEEES FOR NON-UAB AND FOR-PROFIT ORGANIZATIONS

Although non-profit organizations are not our primary service group, we do provide resources and services as needed.

Because this is an extra service we provide, outside of our regular mission, our ILL and Document Delivery fees are higher.

For specifics about charges for non-profit organizations, call LHL Administration at 205-934-5460.

HOW PRICES ARE DETERMINED

Lister Hill Library's pricing policies are set by UAB.

Some of these rules include:

- We cannot charge internal customers more than it costs to us to provide the service or product.
- We are required to recalculate prices periodically and adjust them accordingly.

To determine the price you pay for products or services, we calculate exactly what it costs us to provide the service. That figure becomes the price. To that price we may be required to add a tax or surcharge.

In essence, we are required to price everything to break even.

If you have questions about prices, contact Pat Higginbottom, the Associate Director for Public Services at 205-934-5432 or phiggin@uab.edu.

Prices for services in the Reynolds Historical Library and Archives may vary. Call 205-934-4475 for details.
