**THIS MONTH IN DEPARTMENT’S HISTORY**

The Department's first annual Review Course was held February 24-25, 1973 at the Parliament House Hotel. The only topics on the agenda were Ketamine and Innovar, favorites of then Chairman Guenther Corssen, M.D. Only two guest speakers appeared on the program, Dr. John Dillon, Chairman at UCLA and Dr. Brian Craythorne, Chairman at the University of Cincinnati.

The Alabama State Society of Anesthesiologists became a co-sponsor beginning with the 1978 event. The first 25 Review Course programs were developed by Dr. Frederick Brosch, Professor Emeritus, who retired from the department in 1998. His account of those 25 courses, “Thanks for the Memories--of 25 Review Courses” can be found in the ASSA Newsletter 14(2): 3, 5, February 1997, available in our library. The syllabuses from most years of the review course are also available in the departmental library.

More about the department’s history can be found in “A Chronological History of Our Department” at http://www.uasom.uab.edu/PublicDocuments/Anesthesiology/Timeline.pdf
