

UAB’s “2017 Update in Gastroenterology and Hepatology” is designed to update physicians and other health care providers treating patients with GI and liver diseases about new approaches for diagnosis and management of gastrointestinal and liver disease.

Faculty will present data on multiple topics including common disorders such as: autoimmune/cholestatic liver disease; metabolic liver disease; hepatitis B & C; histopathology; liver fibrosis; obscure GI bleed; h. Pylori; c. difficile; ascites & SBP; liver vasculature; liver cancer; pancreatitis; endoscopy in the bariatric patient; cystic pancreatic lesions; dysphagia & motility; refractory GERD; gastroparesis; eosinophilic esophagitis; Barrett’s esophagus; IBD; constipation; difficult polyps; organ failure in liver disease; renal injury in liver disease; update in liver transplant

The goal is to provide attendees with improved competency, performance and quality of care for patients.

WHO SHOULD ATTEND & COURSE FORMAT:

This course is designed for those in primary care, gastroenterology/hepatology and other physicians, residents, nurses and allied health professionals who deal with patients with acute and chronic gastrointestinal and liver issues.

- We will provide you with important information in just 1 1/2 days
- Plenary sessions will contain didactic updates on the most recent developments and the application of those in clinical care
- Breakout sessions will use clinical case presentations and informal discussions to explore the practical aspects of diagnosis and therapy.

EDUCATIONAL OBJECTIVES:

Upon conclusion of this program, participants should be able to:

Gastrointestinal: a) Identify risk factors and options in treatment of Barrett’s esophagus b) understand management of refractory GERD; c) current management of gastroparesis; d) identify and manage eosinophilic esophagitis; e) management strategies for chronic pancreatitis; f) endoscopic treatments for obesity; g) approach to obscure GI bleeding; h) manage cystic lesions of pancreas; i) understand management of complex IBD patients; j) management of acute diarrhea & c. difficile infection; k) approach to chronically constipated patients; l) identify difficult polyps and approach for their removal;

Liver: a) decide on managing hepatitis C patients in the current era; b) basics in managing metabolic liver diseases including alcohol and fatty liver; c) recognize and treat autoimmune liver diseases; d) understand current management of hepatitis B; e) be familiar with histological findings of common liver diseases; f) manage complications of cirrhosis like ascites and SBP; g) diagnostic approach to liver lesions and current management strategies for HCC; h) intensive management of sick patient with end-stage liver disease; i) understand when to refer for liver transplantation, evaluation process and post-transplant outcomes.

CME CERTIFICATION: The University of Alabama School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Alabama School of Medicine designates this live education activity for a maximum of 13 “AMA PRA Category 1 Credits”™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CANCELLATION POLICY: There will be a \$50 cancellation fee for cancellations received prior to **August 8, 2017**, after which time there are no refunds. ***UAB reserves the right to cancel or reschedule the conference due to unforeseen circumstances.***

Agenda

Friday, September 8, 2017

Session I—Etiology Based Management of Liver Disease

6:30 AM—Registration & Continental Breakfast

7:35 AM—Welcome / Opening Remarks

Ashwani Singal, MD

7:45 AM—Autoimmune & Cholestatic Liver Disease

Mohamed Shoreibah, MD

8:05 AM—Metabolic Liver Disease

Ashwani Singal, MD

8:25 AM—Update on Hepatitis B

Joseph Bloomer, MD

8:45 AM—Hepatitis C Update

Omar Massoud, MD

9:05 AM—Histopathologist & Hepatology

Leona Council, MD

9:25 AM—Questions & Answers

9:40 AM—State of the Art Lecture—Liver Fibrosis

Scott Friedman, MD

10:00 AM—Questions & Answers

10:10 AM—Break

Session II—Small Bowel & Colon

10:30 AM—Obscure GI Bleeding

Shajan Sugandha, MD

10:50 AM—Update in h.Pylori

Phillip Smith, MD

11:10 AM—c. Difficile Infection

Charles Elson, MD

11:30 AM—TBD

Talha Malik, MD

11:50 AM—Questions & Answers

12:00 PM—Lunch

Session III—Breakout Sessions & Discussions

1:00 PM

2:00 PM—Break

Session IV—Managing Liver Disease Complications

2:20 PM—Management of Ascites & SBP

Adam Edwards, MD

2:40 PM—Liver Vasculature in Managing Liver Disease

Sudha Kodali, MD

3:00 PM—What Is This Spot On My Liver

Desiree Morgan, MD

3:20 PM—Now That I Have Liver Cancer—What Next?

Jared White, MD

3:40 PM—Questions & Answers

4:00 PM—Break

Session V—Pancreatic-Biliary Disorders

4:15 PM—Management of Chronic Pancreatitis

C. Mel Wilcox, MD

4:35 PM—Endoscopy in the Bariatric Patient

Ali Ahmed, MD

4:55 PM—Cystic Lesions of Pancreas

Kondal Kyanam, MD

5:15 PM—Questions & Answers

5:30 PM—Closing Remarks

Session VI—Conference Banquet

5:45 PM—Banquet / Keynote Addresses

7:15 PM—Closing Remarks

Saturday, September 9, 2017

6:30 AM—Registration & Continental Breakfast

Session VII—Upper GI Tract Pathologies

7:30 AM—Welcome & Opening Remarks

7:35 AM—Managing Dysphagia & Motility Disorders

James Callaway, MD

7:55 AM—Strategies for Managing Refractory GERD

Chad Burski, MD

8:15 AM—How to manage Gastroparesis

Fred Weber, MD

8:35 AM—Eosinophilic Esophagitis

Reed Dimmitt, MD

8:55 AM—Questions & Answers

9:10 AM—State of the Art Lecture Barrett’s Esophagus

Nicholas Shaheen, MD

9:30 AM—Questions & Answers

9:40 AM—Break

Session VIII—Small Bowel & Colon

9:55 AM—IBD

Peter Mannon, MD

10:15 AM—Constipation

Nipun Reddy, MD

10:35 AM—How to Remove Large Difficult Polyp

Jamie Cannon, MD

10:55 AM—Questions & Answers

Session IX—Intensive Management of End-Stage Liver Disease

11:00 AM—Organ Failure & Decompensated Liver Disease

W. Steve Stigler, MD

11:20 AM—Renal Injury—When to Call Nephrology

Ashita Tolwani, MD

11:40 AM—Liver Transplantation—Practical Update

Brendan McGuire, MD

12:00 PM—Questions & Answers

12:10 PM—Closing Remarks

Distinguished Faculty

Nicholas J. Shaheen, MD, MPH

Professor of Medicine & Epidemiology
Chief, Division of Gastroenterology & Hepatology
Mary Kay & Eugene Bozymski and Linda & William Heizer
Distinguished Professor
University of North Carolina Chapel Hill
Chapel Hill, North Carolina

Frederick Weber, MD

Clinical Professor
Medical Director, Digestive Health Center at the Kirklin Clinic
Division of Gastroenterology & Hepatology
University of Alabama at Birmingham

Charles O. Elson, III, MD

Professor of Medicine
Division of Gastroenterology & Hepatology
University of Alabama at Birmingham

C. Mel Wilcox, MD, MSPH

Professor of Medicine
Director, Division of Gastroenterology & Hepatology
University of Alabama at Birmingham

Reed A. Dimmitt, MD, DVM, MSPH

Professor of Pediatrics
Division Director, Division of Pediatric Gastroenterology,
Hepatology & Nutrition
University of Alabama at Birmingham / Children’s of Alabama

Jamie A. Cannon, MD

Associate Professor of Surgery
Division of Gastrointestinal Surgery
Department of Surgery
University of Alabama at Birmingham

Phillip Smith, MD

Professor of Medicine
Director of Mucosal HIV & Immunobiology Center
Division of Gastroenterology & Hepatology
University of Alabama at Birmingham

Peter Mannon, MD

Professor of Medicine
Division of Gastroenterology & Hepatology
University of Alabama at Birmingham

Shajanpeter A. Sugandha, MD

Assistant Professor of Medicine
Division of Gastroenterology & Hepatology
University of Alabama at Birmingham

Scott L. Friedman, MD

Professor of Medicine, & Pharmacology
& Systems Biology
Dean for Therapeutic Discovery &
Director, Division of Liver Diseases
Mount Sinai School of Medicine
New York, NY

Joseph Bloomer, MD, FAASLD

Professor of Medicine
Liver Center Director, Porphyria Center Director
UAB Liver Center
University of Alabama at Birmingham

Brendan McGuire, MD

Professor of Medicine
Medical Director of Liver Transplantation
UAB Liver Center
University of Alabama at Birmingham

Jared White, MD

Assistant Professor of Surgery
Medical Director of Liver Transplantation
UAB Liver Center
University of Alabama at Birmingham

W. Steve Stigler, MD

Assistant Professor of Medicine
Division of Pulmonary, Allergy & Critical Care Medicine
University of Alabama at Birmingham

Ashita J. Tolwani, MD

Professor of Medicine and Inaugural Holder of DCI Edwin A.
Rustsky, MD Endowed Professorship in Nephrology
Division of Nephrology
University of Alabama at Birmingham

Desiree E. Morgan, MD

Professor of Radiology, Abdominal Imaging Section
Vice Chair of Education, Program Director, and Diagnostic
Radiology Residency Program
University of Alabama at Birmingham

Leona Council, MD

Assistant Professor of Pathology
Division of Anatomic Pathology
Center for Clinical & Translational Science
University of Alabama at Birmingham

Ashwani Singal, MD, MS, FACP

Associate Professor of Medicine
Co-Director, UAB Porphyria Center
UAB Liver Center
University of Alabama at Birmingham
