OVERVIEW

The Montgomery Regional Medical Campus (MRMC) of the University of Alabama at Birmingham School of Medicine is committed to providing a safe and secure environment for all faculty, staff, students, and visitors. Located in the city of Montgomery, MRMC is part of the Baptist Health System’s South campus. Within the block surrounding the MRMC, there is a mixture of public and private property. The street boundaries for MRMC are East South Blvd., Morrow Dr. and Normandie Dr. The MRMC facility is a 5,524 square foot space, located on the third floor of the UAB School of Medicine Building. The Baptist South’s campus also houses the UAB Internal Medicine Residency Program and clinic, located in the Morrow Medical Tower.

The MRMC is a new UAB School of Medicine Regional Medical Campus that accepted its first group of five third year medical students for the inaugural class on June 30, 2014. On June 27, 2015 the campus accepted 19 new third year students. The MRMC anticipates accepting 20 new third year students each year. During the student’s 4th year, they have the option of taking electives here at the MRMC or other UAB campuses.

The MRMC has no residence hall. Medical students make their own housing arrangements for their two years of clinical training in Montgomery. The MRMC employs 1 full-time faculty member. The campus also benefits from the expertise of an exceptional medical community by engaging 130 physicians of various specialties as paid or volunteer clinical faculty.

The MRMC space is not open to the public during regular business hours. At all times, the facility is locked and only authorized persons may have access to the facility. During business hours, visitors are given access by MRMC personnel. Medical students are given electronic fob access to enter the building after business hours to access the Medical Library, computer lab, and the medical student lounge only.

Non-sworn armed security officers employed by Baptist Health are utilized by the MRMC to provide twenty-four hours per day, seven days per week coverage to help ensure the safety and security of its students, faculty and staff. When an incident occurs, a Baptist security officer completes a report and forwards a copy of the report to the MRMC Executive Administrator. If the incident in question requires the presence of a Montgomery police officer, the security officer will contact Montgomery Police Department (MPD) for assistance. In the event of a major security threat, Baptist Security will notify the MRMC officials and at MRMC’s request, the MPD will be contacted for response to the aforementioned security matter.

The Baptist Security maintains the MRMC building and grounds with a concern for safety and security. The Baptist Health Plant Operations Department regularly inspects the facility; evaluates lighting, and makes repairs affecting safety and security hazards such as broken windows and locks. The Baptist Security officers and other departments assist Baptist Plant Operations by reporting potential safety and security hazards.

No campus is isolated from crime; however, MRMC has taken responsibility to employ a variety of security measures to protect the campus community. All persons who come to campus are expected to obey all laws and University and department rules related to the use of the facility. Those who fail to comply are subject to arrest and/or disciplinary action.
CAMPUS LAW ENFORCEMENT

Location
The Baptist Security office is located at 2105 East South Blvd., Montgomery, AL 36116 and their officers are available 24 hours a day, seven days a week, including weekends and holidays. The MRMC community can request Security assistance by phone at 334.286.5555.

Responsibilities
Baptist Security employs officers to secure the safety of people on the MRMC. Baptist Security officers are available for responses from Montgomery faculty, students, residents, and staff. They provide periodic patrols of the MRMC during normal business hours, defined as 6:00 am to 3:00 pm Monday through Friday, to ensure that buildings are secure. After business hours and on UAB designated holidays, Baptist Security provides periodic patrols of the MRMC, both interior and exterior, to ensure that the building is secure.

When a criminal act is reported, the MPD will investigate the incident and make every reasonable effort to identify the offenders. Depending upon the wishes of the victim, nature of the offense, and the evidence gathered, the case will be presented for prosecution in the criminal courts of Alabama. If a member of the UAB community is identified as an offender in an incident, the MPD will notify the appropriate MRMC administrator so that disciplinary action may be taken.

HOW YOU CAN HELP CREATE A SAFE CAMPUS

Safety, security, and crime prevention are the responsibilities of everyone. The cooperation and involvement of faculty, staff, and students are essential to having a safe campus. The safety and security of you and your belongings begin with your own awareness and commitment to the safety of the community. Following is a list of resources you can use to help create a safe campus for yourself and others.

Reporting Incidents
Like any other community, MRMC experiences accidents, injuries, crimes, and other emergencies. To report incidents, potential criminal actions, or suspicious incidents, UAB faculty, staff, residents, students, and visitors should notify the Baptist Security at (334) 286-5555. If you witness a crime in progress, call 911 from your cell phone, or from an MRMC phone dial 9+911, to contact the Montgomery Police Department. To report an incident of a confidential nature, an individual should contact a Campus Security Authority (Regional Campus Dean or Director of Medical Student Services).

Monitoring and recording criminal activity at off-campus organizations
The Baptist Security officers and MRMC rely on working relationships with the local law enforcement agencies to receive information about incidents involving students on campus. When needed, the MPD will actively investigate any crime information it receives concerning or involving a member of the Montgomery campus community.
Stay Informed
If the MRMC administration is notified of a crime, the MRMC may issue a Campus Safety Alert, detailing the incident and providing tips so that other community members may avoid similar incidents. MRMC uses a variety of methods to keep the campus informed about incidents occurring on and near the campus.

Student and Faculty/Staff Media Outlets
UAB Student Media’s newspaper, The Kaleidoscope online, student e-Newsletter, GreenMail, and the faculty/staff e-Newsletter, the eReporter, have access to incident summaries and publish stories covering serious incidents and crime awareness information. The Kaleidoscope and GreenMail are published weekly during the academic year, and the eReporter is published bi-weekly.

Utilize Campus Resources and Services
A variety of resources and services are available to UAB students, faculty, staff, and visitors that contribute to the overall safety and security of the campus, reducing the success of criminals.

Publications
The UAB Police Department prepares and distributes numerous brochures and pamphlets covering topics such as sexual assault awareness, general crime prevention, harassing phone calls, bicycle safety and security, and traffic safety. The Montgomery Police Department also prepares and distributes various brochures and pamphlets.

New Student and Employee Orientations
New students are provided crime awareness information through New Student Orientation. New employees receive information through the New Employee Orientation Program.

Emergency/Public Telephones
For the safety of the MRMC campus, multiple emergency/public telephones are strategically located across campus. These telephones may be used to make campus calls. For emergencies, press the red emergency button, which will connect you directly with the Baptist Security. Your location will be automatically identified for the security dispatcher, and a security officer will be dispatched to the area if necessary.

Lost and Found
The MRMC Dean’s Office serves as the lost and found area for UAB faculty, staff and students. You can stop by the Medical Student Services Director’s Office to drop off found property or inquire about lost property. Call 334.551.2011 for more information. The Baptist South Security office also has a lost and found area located in their office.

SECURITY CONSIDERATIONS IN THE MAINTENANCE OF CAMPUS FACILITIES
The University and its MRMC are committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. Baptist Facilities Operations continually conducts security surveys to ensure the campus lighting is adequate and that the landscape is appropriately
controlled. We encourage community members to report any deficiency in lighting to Baptist Facility Operations at 334.286.2702. Representatives from Baptist Security and Facility Operations collaborate to identify inoperative locking mechanisms on a continual basis. We encourage community members to promptly report any locking mechanism deficiency to Facility Operations at 334.286.2702, or to the MRMC Dean’s Office at 334.551.2011. Facility Operations staff also responds to calls for service regarding unsafe facility conditions or for personal safety and property protection. These conditions also may include unsafe steps or handrails, unsafe parking conditions, and unsecured equipment.

**CRIME AWARENESS AND PREVENTION SPEAKERS**

You can request a speaker from the Baptist Security Department to come and talk with your group or organization about crime awareness and prevention. To request a speaker, call 334.286.2992.

SEXUAL ASSAULT OFFENSES – CONSENT, SEXUAL ASSAULT & SEXUAL EXPLOITATION, FONDLING, INCEST, RAPE & STATUTORY RAPE

CONSENT

UAB The term “consent” used when describing different types of prohibited acts of sexual misconduct under this Policy (such as sexual assault) means clear, voluntary permission, which cannot be inferred by the absence of verbal or physical resistance. A lack of consent results from forcible compulsion or incapacity to consent. Forcible compulsion is a physical force or a threat, whether expressed or implied, that places a person in fear of immediate serious physical injury or economic harm to him/herself or a third party. A person is deemed incapable of providing consent if, at the time of the act, he or she:
(1) is under the age of 16;
(2) suffers from a mental impairment, whether temporary or permanent, which renders them incapable of appraising the nature of his or her conduct (e.g., age, disability, or temporary impairment due to drug or alcohol consumption); or,
(3) is physically helpless (e.g., unconscious), asleep, ill, or in a state of shock
Consent can be withdrawn by either party at any point. Consent must be voluntarily given and may not be valid if a person is being subjected to actions or behaviors that elicit emotional or psychological pressure, intimidation, or fear. Consent to engage in one sexual activity, or past agreement to engage in a particular sexual activity, cannot be presumed to constitute consent to engage in a different sexual activity or to engage again in a sexual activity. For purposes of this policy, the issue is whether the Respondent knew, or should have known, that the activity in question was not consensual. Engaging in sexual activity with a person who you know to be incapacitated, or reasonably should know to be incapacitated, violates this policy.

Incapacitation is the inability, temporarily or permanently, to give consent because the individual is mentally or physically helpless, asleep, unconscious, or unaware that sexual activity is occurring. With incapacitation, an individual lacks the ability to make informed, rational judgments and cannot consent to sexual activity. Incapacitation may result from the use of alcohol and/or drugs. The impact of alcohol and other drugs varies from person to person; however, warning signs that a person may be approaching incapacitation or may already be incapacitated include, but not limited to, slurred speech, vomiting, stumbling, glassy or unfocused eyes, confusion as to time, place, etc., odor of alcohol, combativeness, or emotional volatility.

Evaluating incapacitation requires an assessment of how the consumption of alcohol and/or drugs affects an individual’s:
- Decision-making ability;
- Awareness of consequences;
- Ability to make informed judgments; or
- Capacity to appreciate the nature and the quality of the act.

Evaluating incapacitation also requires an assessment of whether a Respondent was aware or should have been aware of the Complainant’s incapacitation based on objectively and reasonably apparent indications of impairment when viewed from the perspective of a sober, reasonable person in the Respondent’s position.

## HARASSMENT & SEXUAL HARASSMENT

| UAB | Any unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature if: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s education, living environment, employment, or participation in a University-related activity or University Program; (2) submission to or rejection of such conduct by an individual is used as the basis for or a factor in decisions affecting that individual’s education, living environment, employment, or participation in a University-related activity; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual’s educational performance or creating an intimidating, hostile, offensive, or abusive environment for that individual’s education, living environment, employment, or participation in a University-related activity.  
Examples may include, but are not limited to, the following: unwanted sexual statements; unwanted |

personal attention including stalking and cyber-stalking; unwanted physical or sexual advances that would constitute sexual assault, as defined in this policy; electronically recording, photographing, or transmitting intimate or sexual utterances, sounds, or images without the knowledge and consent of all parties involved; touching oneself sexually for others to view; and voyeurism (spying on others who are in intimate or sexual situations).

Harassment can include interactions between individuals of the same or opposite sex.

Hostile environment sexual harassment is unwelcome sexual conduct that is sufficiently severe or pervasive that it alters the conditions of education or employment and creates an environment that a reasonable person would find intimidating, hostile, or offensive. The determination of whether an environment is "hostile" must be based on all the circumstances. These circumstances could include the nature, frequency, intensity, location, context and duration of the conduct, its severity, and whether it is threatening or humiliating. Simple teasing, offhand comments and isolated incidents (unless extremely serious) will not amount to hostile environment harassment. Although repeated incidents generally create a stronger claim of sexual harassment, a serious incident, even if isolated, can be sufficient. For example, a single instance of sexual assault can constitute sexual harassment.

**OTHER DEFINITIONS**

1. **Violence** is defined as any behavior or threat of behavior that causes physical harm or reasonable fear of physical harm to any individual, including but not limited to, a University student or employee, other member or guest of the University community, or anyone with whom the University is conducting business.    - Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
• Hazing, defined as any action taken or situation that either intentionally or unintentionally endangers the mental or physical health, safety, or welfare of any person within the University community, or that destroys or removes public or private property, for the purpose of initiation, participation, admission into, affiliation with, or as a condition of continued membership in a group or organization. • Retaliating against any individual who, in good faith, reports a violation of this policy.

In this context, the Respondent will be found to be responsible for the alleged violations if the Conduct Officer or the Conduct Committee concludes that the University has shown that such conduct more likely than not (i.e., preponderance of the evidence) occurred based on careful review of all information presented.

16. **Conduct hold** is defined as a hold on a student’s registration or transcript access. While conduct cases are pending, the University may place a conduct hold on the student’s records. A conduct hold will also be placed if a student fails to complete assigned sanctions. The conduct hold will not be removed until all sanctions have been completed. If a student fails to respond to a request to meet to discuss the alleged code violation, a conduct hold will be placed on the student’s record. Students who withdraw from UAB while conduct action is pending will have a conduct hold placed on the student’s record and the allegations must be resolved prior to the student’s readmission if approved.

18. “May” is used in the permissive sense.

19. **Proceeding** means all activities related to a non-criminal resolution of an institutional disciplinary complaint, including, but not limited to, fact-finding investigations, formal or informal meetings, and hearings. Proceeding does not include communications and meetings between officials and victims concerning accommodations or protective measures to be provided to a victim.

20. **Result** means any initial, interim, and final decision by any official or entity authorized to resolve disciplinary matters within the institution. The result must include any sanctions imposed by the institution. Notwithstanding section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly referred to as the Family Educational Rights and Privacy Act (FERPA), the result must also include the rationale for the result and the sanctions.

**PROGRAMS TO PREVENT DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING**

The University engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking that:

- Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome; and
- Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community and societal levels.

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees, and ongoing awareness and prevention campaigns for students and that:

- Identifies domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) as prohibited conduct;

**Primary Prevention and Awareness Programs**

The term primary prevention refers to programming, initiatives and strategies intended to stop domestic violence, dating violence, sexual assault, or stalking before it occurs to prevent initial perpetration or victimization through the promotion of positive and healthy behaviors and beliefs. Efforts to change behavior and social norms, and promote healthy relationships, healthy sexuality and egalitarian gender roles, or efforts to understand risk factors and protective factors for bystander inaction and change social norms around bystander inaction are all examples of primary prevention.

MRMC offered **primary prevention and awareness programs for all new students** during Orientation held on April 29, 2015 in the MRMC UAB Auditorium.

The MRMC offers **primary prevention and awareness programs for all new employees** when hired.

**Ongoing Prevention and Awareness Programs**

The term ongoing awareness and prevention campaigns refers to campaigns that are sustained over time focusing on increasing awareness or understanding of topics relevant to SA, DoV, DaV and stalking prevention. These programs will occur at different levels throughout the institution (i.e. faculty,
athletics, incoming students) and will utilize a range of strategies. Ongoing awareness and prevention campaigns may include information about what constitutes sexual assault, dating violence/intimate partner abuse, and stalking, changing social norms, promoting recognition of perpetrator tactics, enhancing understanding of consent, and advancing prosocial behaviors of individuals and communities. Effective ongoing awareness and prevention campaigns will include developmentally appropriate content for the specific audience and their knowledge and awareness level and provide positive and concrete ways for individuals to get involved.

**MRMC faculty, staff, and students are encouraged to participate in programs available at the main campus when workload permits.**

The University offered the following **ongoing awareness and prevention programs** for **students** in 2014:

2. DoV means Domestic Violence, DaV means Dating Violence, SA means Sexual Assault and S means Stalking

Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking Occurs

After an incident of sexual assault and domestic violence, the victim should consider seeking medical attention as soon as possible by calling 911 (or 9+911 from an MRMC phone) and/or the Alabama Coalition Against Sexual Violence at 334.264.0123 or 1.800.656.4673. Institutional personnel will assist the student in notifying these authorities, if the student requests the assistance of these personnel.

The Alabama Coalition Against Sexual Violence offers a range of free and confidential services. The Alabama Coalition Against Sexual Violence can connect victims with the Sexual Assault Response Team/Sexual Assault Nurse Examiner (SART/SANE) program is a multi-disciplinary investigative team composed of:

- Forensic Nurse Examiner (SANE)
- Law Enforcement Investigator
- Rape Crisis Advocate

The multi-disciplinary approach consists of teamwork dedicated to delivering justice to all victims of sexual assault. The SANE Program is available to provide examinations for victims of sexual assault who have been seriously injured or who have minimal injuries. For those who have serious injuries and require medical care by a physician, a sexual assault exam will be provided by a SANE at any hospital facility in Montgomery County. For those who have minimal injuries and for all follow-up examinations, a private confidential exam room can be provided. Directions will be provided by your local law enforcement agency, or by calling the Alabama Coalition Against Sexual Violence or Lighthouse Counseling Center, Inc. at 1.888.908.7273. You can request that a friend or family member accompany you. In addition, you may also request to speak with a counselor on call from the Counseling Center staff if you prefer. If possible, do not change your clothes, shower, eat, or drink between the rape and the trip to the emergency room. Preserving evidence is critical and can assist in prosecution. Bring a change of clothes with you because the police will need the clothes you were wearing for evidence.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with Montgomery Police or other law enforcement personnel to preserve evidence in the event that the victim changes her/his mind at a later date.
Involvement of Law Enforcement and Campus Authorities

Although the University strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim’s choice whether to make such a report. Furthermore, victims have the right to decline involvement with the police. In Alabama, you may file a police report without providing your name. The Office of Student Advocacy, Rights and Conduct will assist any victim with notifying local police (if they so desire).

Reporting Incidents of Domestic Violence, Dating Violence, Sexual Assault and Stalking

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Director of Medical Student Services, Dr. Ramona Hicks by phone (334)551-2004, in writing rhart@uab.edu, or in person 2119 E. South Blvd., Suite 304, Montgomery, AL or Baptist Security by phone (334)286-5555 or in person 2105 E. South Blvd., Montgomery, AL. If on the UAB campus contact Vice President for Student Affairs and Interim Title IX Coordinator, Dr. John Jones, III by phone (205) 934-4175, in writing jrjones3@uab.edu, or in person 1070 Administration Bldg., 701 20th St. South and UAB Police at (205) 934-4434, 1117 14th Street South (if the victim so desires). Reports of all domestic violence, dating violence, sexual assault and stalking made to UAB Police will automatically be referred to the Title IX Coordinator for investigation regardless of if the complainant chooses to pursue criminal charges.

Procedures the University Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking is Reported

The University has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as housing, academic, transportation and working accommodations, if reasonably available. The University will make such accommodations, if the victim requests them and if they are reasonable available, regardless of whether the victim chooses to report the crime to the Montgomery Police Department and/or Baptist Security. Employees should contact an immediate supervisor.

If a report of domestic violence, dating violence, sexual assault or stalking is reported to the University, the below are the procedures that the University will follow:

Rights of Victims and the University’s Responsibilities for Orders of Protection, “No Contact” Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the University

UAB complies with Alabama law in recognizing protection from abuse orders. Any person who obtains an order of protection from the State of Alabama or any other state should provide a copy to UAB Police and the Office of the Title IX Coordinator. A complainant may then meet with UAB Police to develop a Safety Action Plan, which is a plan for UAB Police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: imposing a no contact order on the Responding party; residence hall room change for one or more involved parties; changes in academic schedules or assignments for one or both parties; and interim suspension of the Responding party. The University cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s). To apply for a Protection From Abuse Order (PFA) you must file a petition, which can be obtained from the circuit clerk in your county, usually located at the county courthouse.

The University may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. If the University receives a report that such an institutional no contact order has been violated, the University will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

Accommodations and Protective Measures Available for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, UAB will provide written notification to students and employees about accommodations available to them, including academic, living, transportation and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the accommodations).

At the victim’s request, and to the extent of the victim’s cooperation and consent, university offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, living, working or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Potential changes to living situations may include moving to a different room or residence hall. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.
To request changes to academic, living, transportation and/or working situations or protective measures, a victim should contact the Office of Student Advocacy, Rights and Conduct (students) and UAB HR Office of Employee Relations (employee). The Office of Student Advocacy, Rights and Conduct and the Title IX Coordinator (students), and/or Human Resources (employees) can assist victims with these accommodations.

**On and Off Campus Services for Victims**

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, UAB will provide written notification to students and employees about existing assistance with and/or information about obtaining resources and services including counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and assistance in notifying appropriate local law enforcement. These resources include the following:

**Confidentiality**

Victims may request that directory information on file with the University be withheld by request through the UAB One Stop Student Services, (205) 934-4300. On the MRMC, you may call 334-551-2011 for directory information.
Regardless of whether a victim has opted-out of allowing the University to share “directory information,” personally identifiable information about the victim and other necessary parties will be treated as confidential and only shared with persons who have a specific need-to-know, i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The University does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

If you would like the details of an incident to be kept confidential, you may speak with on-campus counselors, campus health service providers, off-campus rape crisis resources (such as advocates or peer advisors), or clergy/chaplains. Campus counselors are available to help you free of charge and can be seen on an emergency basis during normal business hours. UAB Student Health and Wellness - Counseling Services can be contacted at (205) 934-5816. For emergency counseling available after normal business hours, please contact the Alabama Coalition Against Sexual Violence at (334)264-0123 or 1-800-656-4673. These counselors are not required to report any information about an incident to the Title IX coordinator without the victim’s permission.

**Resolution of Violations**

The University’s disciplinary process includes a prompt, fair, and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the institution’s policy and that is transparent to the accuser and the accused. Usually, the resolution of domestic violence, dating violence, sexual assault and stalking complaints are completed within 60 days of the report. However, each proceeding allows for extensions of timeframes for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. University officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
2. The accuser, the accused and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meeting and hearings;
3. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;

4. The accuser and the accused will have the same opportunities to have others present during any institutional disciplinary proceeding. The accuser and the accused each have the opportunity to be advised by an advisor of their choice at any stage of the process and to be accompanied by that advisor to any related meeting or proceeding. The University will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. However, advisors are not allowed to speak and are allowed only to confer with their advisee. An advisor who violates this limitation could subject the advisee to additional sanctions or conduct action under the Student Code. Participants electing to be accompanied by an advisor must notify the Chair at least three (3) business days prior to the hearing;

5. The accuser and the accused will be notified simultaneously, in writing, of the any initial, interim and final decision of any disciplinary proceeding; and

6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.

In addition to the above, The Student Violence and Sexual Misconduct Policy allows the following additional rights:

The Reporting party will also be afforded the following rights:

- The University will inform the Reporting party of available counseling services, medical services, mental health services, and other campus and off campus resources for assistance for victims of violence and sexual misconduct.
- The Reporting party may request changes to academic and living situations after violence and sexual misconduct occurs. The Office of Advocacy, Rights and Conduct may be able to help facilitate such changes.
- The Reporting party has a right to request issuance of a campus "no-contact order," to prohibit the Responding party from having contact of any kind (including electronic contact or contact from third parties acting on the Responding party's behalf) with him or her either on an interim or on a permanent basis.
- The University will not consider the prior, sexual behavior or history of the Reporting party with other individuals, or their engagement in under-age drinking in any investigation of sexual misconduct.
- The Reporting party may report incidents of violence and sexual misconduct to local law enforcement, which will not prevent University disciplinary action.
- The Reporting party has the right to submit physical evidence in the event of sexual assault.
The Responding party will also be afforded the following rights:

- To a general notice of the allegations, or Code of Conduct charges (if applicable), and access to policy statements regarding the investigation process and possible sanctions.
- To receive information regarding University and community support resources (including but not limited to modification of academic, living, transportation, or working situations to avoid a hostile environment, and available health counseling, mental health counseling, victim advocacy, legal assistance, visa and immigration assistance, and student financial aid).

Whether or not criminal charges are filed, the University or a person may file a complaint under the UAB Student Violence and Sexual Misconduct Policy (student policy) and/or the Violence Prevention and Response Policy (employee policy), depending on the status of the accused (student or employee):

**Types of Disciplinary Proceedings Utilized in Cases of Alleged Domestic Violence, Dating Violence, Sexual Assault and Stalking**

**Student Violence and Sexual Misconduct Policy**

1. **How to File a Disciplinary Complaint Under this Policy**

   Students should immediately report domestic violence, dating violence, sexual assault, and stalking to the Director of Medical Student Services (334)551-2011 or Baptist Security (334)286-5555. The DMSS will also inform the University Title IX Coordinator of the incident. Any criminal investigation by UABPD or other law enforcement agency is independent from any disciplinary investigation undertaken by the University under this policy. Students may also report sexual misconduct to the University’s Interim Title IX Coordinator, Dr. John Jones (205) 996-0132 jrjones3@uab.edu; the Title IX Deputy Coordinator and Director of Student Advocacy, Rights and Conduct, Emily Feinstein, at (205) 975-9509 eufenstein@uab.edu; or the Title IX Investigator, Lindsey Beechwood, at (205) 975-9509 beechwood@uab.edu. Regardless of whether a Reporting party decides to pursue a criminal investigation, the University’s Title IX Coordinator will take immediate steps to investigate the report, to protect the Reporting party, and to ensure the safety of the campus community. If a criminal complaint is filed in addition to the University complaint, the University will continue implementing its own procedures regardless of the timeline of the criminal proceedings or their outcome, unless the University is advised by the UABPD or other law enforcement agency that doing so could jeopardize the criminal investigation.

2. **How the University Determines Whether This Policy will be Used**

   Any action involving a student is referred to the Office of Advocacy, Rights and Conduct to determine if this policy is applicable.

3. **Steps in the Disciplinary Process**

   1. Complaint
a. When it is alleged that a student, student group or student organization has violated this Policy the Title IX Coordinator will be notified.

b. The Title IX Coordinator will assign the matter to a Title IX Investigator to conduct an investigation. If at any time during the investigation, the Title IX Investigator determines that there is no reasonable cause to believe that a policy has been violated or misconduct has occurred, the Title IX Investigator will notify the Title IX Coordinator of same and the investigation shall be concluded and the complaint dismissed. The Reporting party may appeal the dismissal of the complaint pursuant to Appeals Procedures Section of the full policy.

2. Notification

a. If the Title IX Investigator determines there is reasonable cause to believe a policy has been violated, the Responding party will be notified in writing (the “Notification”) of the Title IX investigation.

b. The Notification will be sent to the Responding party’s UAB email address of record, the mailing or permanent address appearing in the University’s student information system, an address appearing in a police report, or through personal contact.

c. The Notification will include:
   i. A description of the alleged misconduct.
   ii. A description of the provision of the conduct or University policy alleged to have been violated.
   iii. A request that the Responding party notify the Title IX Investigator to set up a meeting within the timeframe designated in the Notification. If the Responding party does not schedule or attend the meeting by the date specified in the Notification, the Title IX Investigator may make findings and determinations, assign sanctions and complete any investigation based on the information in their possession without the Responding party’s participation.
   iv. Information about the right to have an advisor attend any conduct proceeding contemplated in these procedures.

3. Title IX Investigation

a. The Title IX Investigator is responsible for conducting a prompt, objective and equitable investigation into the alleged violation(s) of this Policy.

b. As part of the Title IX Investigation, the Title IX Investigator will meet with the Responding party and the Reporting party, separately. At the meetings, the Title IX Investigator will:
   i. Explain each party of his/her rights;
   ii. Explain the allegations clearly and fully to the Responding party;
   iii. Allow the Responding party the opportunity to accept or deny responsibility for the alleged conduct violation(s);
   iv. Explain the resolution options;
   v. Explain the right to have an advisor attend any conduct proceeding contemplated in these procedures;
   vi. Explain the conduct and appeal process and
vii. Allow the Reporting party and Responding party to identify witnesses who may have information pertinent to the alleged conduct.

c. The Investigator will speak to witnesses identified by the Responding party or the Reporting party.

d. At the conclusion of an investigation, the Title IX Investigator shall prepare a written Report, which will include a statement of factual findings and a recommendation as to whether there was a violation and a recommendation as to sanctions, if any.

e. The Responding party and the Reporting party shall be notified in writing of the Title IX Investigator’s finding and recommendation for sanctions, if any., consistent with FERPA or other regulations regarding the disclosure of education records.

f. The Responding party and the Reporting party may accept or reject the recommendation. If both the Responding party and the Reporting party accept the recommendation, then the Title IX Coordinator will implement the recommendation and sanctions, if any. The acceptance of the recommendation cuts off each party’s right to appeal. If either the Responding party or the Reporting party rejects any part of the recommendation, then the process will proceed to a resolution hearing as to only that part of the recommendation which was rejected. The Responding party or the Reporting party may accept or reject the recommendation at any time prior to the date of the resolution hearing.

4. Resolution Hearing Notice

The Chair, in coordination with the Conduct Body, will select a date and time for the resolution hearing. The Chair will notify the Responding party and the Reporting party of the hearing date and time at least ten (10) days prior to the hearing. The hearing notice will be in writing and will include the following information:

a. The date, time, and location of the hearing;

b. The names of the Conduct Body Members;

c. Information about how to submit witness names to Chair;

d. Information about how to submit Advisor name to Chair.

e. A Responding party or Reporting party who cannot attend the scheduled hearing must contact the Chair to request a new date and/or time for the meeting at least three (3) business prior to the hearing. It is at the discretion of the Chair if the hearing will be rescheduled and a Responding party and a Reporting party may only request one change to the date and/or time of the hearing.

f. If, after proper notice, the Responding party does not appear at the scheduled date and/or time, the Conduct Body may conduct the meeting without the Responding party’s participation, determine the Responding party’s responsibility for the alleged violation(s) and assign sanctions based on the information in its possession. An unexcused absence from a meeting, without just cause, may also result in additional charges under the Student Code.

g. A hearing may be conducted on a non-business day at the discretion of Chair, as applicable, with the agreement of all involved participants.

5. Resolution Hearing Before the Conduct Board

a. At the resolution hearing, the Chair will explain hearing procedures to the Responding party, Title IX Investigator, Reporting party, and other participants.
b. The Chair is responsible for facilitating the meeting and will make decisions regarding witnesses, evidence, and procedures. The Chair may exclude any person who disrupts the resolution meeting.

c. The Conduct body will hear and receive information and witnesses presented by the Responding party, the Reporting party and Title IX Investigator, review the Title IX Investigator’s Report and other information, and ask questions.

d. The Responding party and the Reporting party will also have the opportunity to submit questions to the Chair regarding participating witnesses. The Chair will determine relevancy of the questions submitted.

e. The Responding party and the Reporting party will not be permitted to directly question each other and are not required to be present together at any point during the process, including the meeting.

f. The Chair will conclude the meeting by explaining next steps in the process.

g. During the hearing, the Reporting party and the Responding party has the right to give opening and closing statements.

The Responding party and Reporting party are entitled to be assisted by an advisor during a resolution hearing. Advisors are not allowed to speak and are allowed only to confer with their advisee. Participants electing to be accompanied by an advisor must notify the Chair at least three (3) business days prior to the hearing.

Witnesses and Supporting Information:

a. All documents to be presented at the hearing by the Reporting party or the Responding party must be submitted to the Chair at least three (3) business days prior to the hearing. The Chair will provide copies of submitted documents to the Reporting party and Responding party at least two (2) business days prior to the hearing, consistent with FERPA or other regulation governing the disclosure of educational records. Any documents submitted and/or discovered within three (3) business days of the hearing may only be considered at the discretion of the Chair.

b. Witness lists must be provided by the Responding party and the Reporting party to the Chair at least three (3) business days prior to the hearing. The Chair will provide the Responding party and the Reporting party with a complete witness list at least two (2) business days prior to the hearing.

c. Members of the University community are encouraged to appear at the hearing as witnesses if they have knowledge or information regarding the incident or alleged violation in question and if they have been requested to appear. Individuals who are not members of the University community will generally be permitted to appear as a witness if they have direct knowledge or information regarding the incident or alleged violation in question.

d. Character witnesses are not accepted.

6. Resolution Conduct Body’s Decision – *See below #5 Decision-Making Process*
4. **Anticipated Timelines**

The Title IX Coordinator will resolve these reports or complaints equitably and as promptly as practicable after the report or complaint is made. Ordinarily, the resolution process shall be concluded no later than sixty (60) days following the receipt of a complaint. More specific timelines can be found in the above section (Steps in the Disciplinary Process).

5. **Decision-Making Process**

   a. After the conclusion of the hearing, the Conduct Body will deliberate privately. The determination(s) of the Conduct Body will be made by majority vote. The deliberations will not be recorded.

   b. The Conduct Body will first determine whether the Responding party is responsible for the alleged violation(s). If the Responding party is found not responsible for all alleged violation(s), the matter will be dismissed and concluded without further proceedings for the Responding party.

   c. If the Responding party is found responsible for one or more of the alleged violation(s), the Conduct Body will determine fair and appropriate sanction(s) and make sanction recommendations. While determining fair and appropriate sanction(s) the Chair will notify the Conduct Body of the Responding party’s previous student conduct history. Previous student conduct history will be limited to student conduct cases where the Responding party accepted responsibility, or was found responsible for violating the Student Code. Cases where the Responding party was not found responsible for violating this Policy or all charges were dismissed will not be introduced.

   d. When notifying the Conduct Body of a Responding party’s student conduct history, the Chair will provide the date of the incident, a description of the violation(s), and the assigned sanctions. However, information which implicates federal privacy laws or is protected from disclosure (e.g. FERPA, HIPAA) may be excluded.

   e. After the conclusion of deliberations, the Chair will compile a Student Conduct Resolution Report summarizing the alleged violation(s), the Conduct Body’s findings as to each alleged violation, and sanction recommendations, if any and will forward the report within five (5) business days to the Title IX Coordinator, as applicable, who will review the findings and recommended sanction(s), if any.

   f. After reviewing the report, the Title IX Coordinator, as applicable, will forward the report to the Chair who will send the Responding party and the Reporting party a copy of the Student Conduct Resolution Report and assigned sanction(s), if applicable within five (5) business days of receiving the Report from the Title IX Coordinator, unless circumstances warrant otherwise. The Report will be sent to the Responding party’s and the Reporting party’s UAB email address of record, the mailing or permanent address appearing in the University’s student information system, an address appearing in a police report, or through personal contact.

   g. Either the Responding party or Reporting party may request an appeal of the Conduct Body findings within (5) business days of receiving notification of the finding.

   h. When suspension or expulsion are recommended by the Conduct Body, the Vice President for Student Affairs receives the recommendation, reviews the case, and makes a final decision regarding the recommendation. The response to the recommendation will be communicated to the student(s) involved by the Vice President for Student Affairs. Similar due process procedures will be available for student groups/organizations.
6. **Standard of Evidence**
   Preponderance of the Evidence

7. **Possible Sanctions**
   Any student found responsible for violating the provision on non-consensual sexual intercourse will likely receive a sanction of suspension or expulsion. Any student found responsible for violating the provision on non-consensual sexual contact, sexual exploitation, or sexual harassment will likely receive a sanction ranging from probation to expulsion, depending on the severity of the incident and taking into account any previous conduct code violations. The Office of Advocacy, Rights and Conduct reserves the right to broaden or lessen any range of recommended sanctions in the event of mitigating factor or egregiously offensive behavior. The following is a list of all possible sanctions:

   - Informal Warning
   - Formal Warning
   - Parental/Guardian Notification
   - No Contact Order
   - Conduct Probation
   - Loss of Privileges and Exclusion from Activities
   - Restorative Actions
   - Campus and/or Community Service
   - Facility Suspension
   - Facility Expulsion
   - Educational Assignment/Initiatives
   - Residence Hall Transfer or Removal
   - Restitution
   - Restriction from Employment at the University
   - Prohibition or limitation on University employment
   - Removal from Specific Courses
   - Suspension
   - Expulsion
   - Additional Sanctions: Additional sanctions may include, but are not limited to, requiring the student to attend a counseling, drug, or alcohol consultation, required to have drug/alcohol testing, or required to have a psychological or psychiatric evaluation.

   If a student fails a drug test, additional sanctions may include, but are not limited to, requiring the student to complete educational assignments, requiring the student to have a drug assessment, requiring the student to seek treatment, or attend a counseling consultation. Depending on the circumstances of a failed drug test, a student may also be suspended, or expelled from the University.

   In situations involving some of the sanctions listed above, a student may be asked to relinquish any University office held. If student leaders are charged with a violation of serious non-academic misconduct, they may be removed from the leadership position until the matter is resolved. Sanctions may also result in permanent removal from leadership positions. This may
also include prohibition from representing the University in any capacity. This could also result in the loss of certain scholarships and financial aid. In addition to the sanctions described, the Conduct Officer or Conduct Committee may apply or recommend additional sanctions.

Failure to complete a required sanction is a serious offense. It is considered an additional violation of the Student Code (Section J. Responsibility 4.), and will usually result in more serious sanctions being imposed. Within one (1) week of a student’s failure to complete a sanction, a conduct hold will be placed on the student’s records, and any pre-registration that the student might have already conducted. Students refusing to complete sanctions also place themselves at risk of being suspended or expelled from the University.

8. **Range of Protective Measures Available to a Victim Alleging Misconduct**

The Title IX Coordinator will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: imposing a no contact order on the Responding party; residence hall room change for one or more involved parties; changes in academic schedules or assignments for one or both parties; and interim suspension of the Responding party.

**Violence Prevention and Response Policy**

1. **How to File a Disciplinary Complaint Under this Policy**

   Employees should immediately report domestic violence, dating violence, sexual assault, and stalking to the UAB Police Department (UABPD) (205) 934-3535. UABPD coordinates required notifications to Office of HR Employee Relations for matters involving employees or the Office of Non-Academic Student Conduct for matters involving students. Employees who have been approached by a student relaying a potential incidence of violence must relay the report to the Assistant Vice President for Student Life.

2. **How the University Determines Whether This Policy will be Used**

   Any action involving an employee is referred to the Office of Human Resources to determine if this policy is applicable.

3. **Steps in the Disciplinary Process**
   1. Complaint
   2. Notification – If the Office of Human Resources determines there is reasonable cause to believe a policy has been violated, the Responding party will be notified in writing.
   3. Human Resources Investigation – All investigations and/or disciplinary proceedings will be conducted by University officials who are adequately trained on the issues related to these situations. The complainant and the respondent will not be permitted to directly question each other and are not required to be present together at any point during the process. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present. The accuser, the accused, and the appropriate officials
are given timely and equal access to information that will be used during informal and formal disciplinary meetings and hearings.

4. **Human Resources Decision** – the accuser and the accused will be notified simultaneously, in writing, of the any initial, interim and final decision of any disciplinary proceeding; and where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.

4. **Anticipated Timelines**
The Office of Human Resources will resolve these reports or complaints equitably and as promptly as practicable after the report or complaint is made. Ordinarily, the resolution process shall be concluded no later than sixty (60) days following the receipt of a complaint.

5. **Decision-Making Process**
The Office of Human Resources will review all of the facts, including any documentation related to the specific complaint to make a decision. If the complaint goes before the Problem Resolution Committee, the Committee will accumulate and study the facts about the case and will submit a written report and recommendation to the Chief Human Resources Officer who will render a decision. The Chief Human Resources Officer will send a copy of the written decision to the employee and the supervisor. If the decision of the Chief Human Resources Officer differs from the recommendation of the Committee, the Chief Human Resources Officer may meet with the Committee to review the written rationale for the Committee’s decision.

6. **Standard of Evidence**
Preponderance of the Evidence

7. **Possible Sanctions**
Any employee found responsible for violating the provision on non-consensual sexual intercourse will likely receive a sanction of termination. Any employee found responsible for violating the provision on non-consensual sexual contact, sexual exploitation, or sexual harassment will likely receive a sanction ranging from progressive disciplinary actions that may include termination, depending on the severity of the incident and taking into account any previous conduct code violations. Confirmed violations of this policy will result in appropriate consequences commensurate with the offense, up to and including dismissal from academic programs or termination of employment, appointment, or other relationships with UAB. Interim actions may be taken by UAB prior to final resolution. Individuals may also be subject to arrest, criminal prosecution, and/or may be barred from campus. The Office of Human Resources reserves the right to broaden or lessen any range of recommended sanctions in the event of mitigating factors or egregiously offensive behavior. The following is a list of all possible sanctions:
• Verbal Warning – The step should be used for first-time, minor policy violations.

• Written Warning – A written warning may be given after repeated violations, after a verbal warning, or for serious first-time misconduct. An employee who receives three written warnings during an 18-month period (whether or not the first two written warnings resulted in probation and/or suspension) may be terminated without proceeding through the remaining steps in the disciplinary process.

• Suspension – Suspension without pay may be imposed for repeated violations after a written warning has been issued or for serious first-time misconduct. Suspensions may not exceed ten working days. No vacation, holiday, or sick time benefits will be paid by UAB during suspension.

• Imposed Probation – An employee may be placed on probation for repeated violations after a written warning has been issued or for serious first-time misconduct. The probationary period may not exceed 90 calendar days. Imposed probation may be used in lieu of suspension or in some cases suspension and probation are combined.

If an employee fails to satisfactorily meet the goals or expectations during the imposed probation period, further disciplinary action up to, and including, discharge may occur. Merit based increases will not be given to the employee during an imposed probationary period. Vacation and personal holidays will continue to accrue but will not be granted during this period of imposed probation. Imposed probation does not affect an employee’s access to the formal Problem Resolution Procedure.

• Termination – Termination may occur immediately and without notice and/or without pay in lieu of notice for repeated violations of policy or for first-time incidents of gross misconduct. Termination should only occur after a careful review of the case with the appropriate departmental representative and the HR Employee Relations Office.

• Administrative Leave – Administrative leave may be imposed, with or without pay, in cases when it is believed that normal unit operations or safety would be affected or when UAB officials need time to gather information for determining the specific disciplinary action which needs to be taken.

• Demotion – Demotion may be used as a remedy and not as a step in the progressive disciplinary process when an employee cannot perform assigned job duties satisfactorily. It is most often used when an employee’s skills are not matched to the job assignment. It may be possible to demote the employee into a position of lower classification in the same department with a resultant decrease in salary. A demotion without a decrease in salary must be approved by the appropriate vice president, the Provost, the CEO of the UAB Health System or by the Chief Human Resources Officer.

8. Range of Protective Measures Available to a Victim Alleging Misconduct

The Office of Human Resources will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: imposing a no contact order on the Responding party; residence hall room change for one or more involved parties; changes in academic schedules or assignments for one or both
parties; and interim suspension or imposed probation of the Responding party.

University-Initiated Protective Measures

In addition to those protective measures previously described, the Title IX Coordinator or their designee will determine whether interim interventions and protective measure should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: a University order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator’s directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by the University.

Notification to Victims of Crimes of Violence

The University will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forceful sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Sex Offender Registration

The Federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also mandates sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student.

In Alabama, convicted sex offenders must register with the sheriff of the county of his or her legal residence. Information on Registered Sex Offenders can be obtained at the UAB Police Department or on the Alabama Department of Public Safety’s website: http://dps.alabama.gov/Home/Default.aspx, located under the Sexual Offenders link.

See entire Non-Academic Student Conduct Policy at:

**DISTRIBUTION OF TIMELY WARNINGS**

The department distributes timely warnings via the University’s B-ALERT emergency notification system to communicate through voice calls, SMS text messages and emails to the entire campus all at the same time. B-ALERT also integrates with Facebook and Twitter. Timely Warnings are issued to alert the University community to certain crimes in a manner that is timely and will aid in the prevention of similar crimes. Once the University determines that an alert will be issued, the Information Technology Department e-mails the announcement and the police department posts it on its Website at www.uab.edu/police. The department may also post alerts on bulletin boards throughout campus and send “Be On the Look Out” (BOLO) to local law enforcement agencies.

**DAILY CRIME LOG**

Baptist Security will maintain a Daily Crime Log that records, by the date the incident was reported, all crimes and other serious incidents that occur on the MRMC campus, on public property, or within the department’s patrol jurisdiction. Copies of the Daily Crime Log will be provided to the MRMC Executive Administrator on the day that the crime or serious incident occurs, or the following business day if the crime or serious incident occurs during a holiday or weekend hours. It is our policy to prepare a disclosure of crime statistics via our Annual Security Report, our Daily Crime Log, and on the MRMC intranet and website. The Daily Crime Log will be available for public inspection upon request at the MRMC Dean’s Office. The Daily Crime Log will include the nature, date, time, and general location of each crime reported to the Baptist Security officer, as well as the disposition of the complaint, if this information is known at the time the log is created. All incidents occurring on the MRMC as posted in the Daily Crime Log will be recorded on the Montgomery intranet. MRMC and Baptist Security reserve the right to exclude reports from the log in certain circumstances.

**EMERGENCY PREPAREDNESS, RESPONSE, AND EVACUATION PROCEDURES**

The University of Alabama at Birmingham has long recognized the need to be prepared for critical incidents. Under the guidance of the University Safety Committee, various department and offices work together to ensure the University is doing all it can to prepare for, prevent, respond to, and recover from emergencies. Baptist Security and Montgomery Police and fire are well prepared to respond to a full range of critical incidents.

The Office of Occupational Health and Safety (OH&S) and the University Police Department work together to ensure our emergency protocols and plans are updated, as needed, and are applicable as new risks are identified. The University’s emergency planning website, located at www.uab.edu/emergency, not only contains important information about what to do during an emergency, but it also outlines the various initiatives underway to enhance preparedness. One such initiative is the University of Alabama at Birmingham Emergency Notification System. This system is used
to send text messages to cell phones and pagers when urgent information needs to be communicated quickly to the University community.

Upon immediate confirmation by the University Police Department or other University administrators (President, President’s Cabinet, and Emergency Management) that an emergency incident has occurred on campus, the University will immediately issue an emergency notification to the campus community via the University’s B-ALERT emergency notification system to communicate through voice calls, SMS text messages and emails to the entire campus all at the same time. Face-to-face communication maybe utilized as well, if appropriate. B-ALERT also integrates with Facebook and Twitter. However, if issuing a notification, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, the University may decide not to immediately issue the notification. Appropriate University administrators (University Police, or President, President’s Cabinet, or Emergency Management) will determine the necessary segment or segments of the campus community to receive an emergency notification(s): such as the entire campus community, or the affected residence hall or halls, or the affected campus building or buildings, or the affected hospital(s); determine the content of the notification, such as the University Police Department will determine how much information is appropriate to disseminate at different points in time to the entire campus community, or the affected area(s); part of this information may tell the residents, students, and/or employees to shelter in place or to tell commuter students and employees to stay away from campus; and initiate the notification system. The UAB administrators responsible for carrying out the above actions are as follows: The President, The President’s Cabinet, the University Police Department, and Emergency Management.

The larger community is highly encouraged to go to the University’s emergency planning website, located at: uab.edu/emergency, to obtain emergency information. UAB will test (announced or unannounced) the emergency notification system on an annual basis and publicize its emergency response and evacuation procedures in conjunction with its annual test per calendar year. UAB will document each annual test, including a description of the exercise, the date, time, and whether it was announced or unannounced.

**CRIMINAL INCIDENTS ON CAMPUS**

The Medical Student Services at the MRMC prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at https://www.uab.edu/medicine/home/montgomery-campus. This report is prepared in cooperation with the local law enforcement agencies surrounding our campus. Each entity provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to Baptist Security and the Montgomery Police Department, designated campus officials (including but not limited to directors, deans, and faculty), and local law enforcement agencies.

Each year, an email link is made available via the Kaleidoscope, GreenMail, eReporter, undergraduate and graduate admissions, and human resources management in reference to the web site to access the
UNFOUNDED CRIMINAL INCIDENTS

"Unfounded" means that an investigation has shown that the incident or offense did not occur. An offense or incident cannot be "unfounded" just because stolen property was recovered and/or the victim refuses to prosecute, or an arrest was not made.

FEDERAL CAMPUS SEX CRIMES PREVENTION ACT

The Federal Campus Sex Crimes Prevention Act, (section 1601 of Public Law 106-386) enacted on October 28, 2000, went into effect October 28, 2002. It is a law that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or those working or volunteering on campus. The law requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already registered in a State to provide notice to the appropriate state agency, as required under state law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. Information on registered sex offenders can be obtained on the Alabama Department of Public Safety's website: http://dps.alabama.gov/Home/Default.aspx, located under the Sexual Offenders link.

Crime Statistics

Major crimes reported Baptist Security and the Montgomery Police Department for June 30, 2014 through December 31, 2014 are listed in the following chart. The reporting period is shortened due to the MRMC opening June 30, 2014. The Code of Alabama (Section 36-12-40) states that every citizen has a right to inspect and take a copy of any public writing of this state, except as otherwise expressly provided by statute. Disciplinary referrals for violations of the Student Code of Conduct, which may include some criminal offenses specified for this report, are sometimes made directly to the Office of Student Advocacy, Rights and Conduct by individuals or campus organizations other than the UAB Police.

Note: Any incidents that may have been reported only to pastoral and professional counselors of the University are generally protected by privacy rights of the client or patient and are not included in any of the following statistics, nor for any timely warning notifications to the campus.

**Substance Abuse Education**

UAB is committed to maintaining a campus free of drug and alcohol abuse and assisting all employees and students in finding ways to address these problems. Educational programs addressing these issues are supported and encouraged through a variety of departments. Anyone aware of problems with roommates, friends, or coworkers is encouraged to contact the appropriate office for help.

**Substance Abuse Assistance**

For students with substance abuse problems, assistance is available through the UAB Student Health and Wellness Center. The Student Health and Wellness Center has experienced professional counselors and psychologists to assist students in need. Students are scheduled for individual appointments, and all information is kept strictly confidential. They have a full-time substance abuse prevention coordinator and trained student peer educators available to provide information individually or in-group settings. The Student Health and Wellness Center is located at 1714 9th Avenue South, Birmingham, AL 35294. For more information, students are encouraged to contact one of the following numbers:

**How to Be an Active Bystander**

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.”¹ We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list² of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
- Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- Speak up when someone discusses plans to take sexual advantage of another person.
- Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

**Risk Reduction**

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one’s risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, [www.rainn.org](http://www.rainn.org))

- **Be aware** of your surroundings. Knowing where you are and who is around you may help you

² Bystander intervention strategies adapted from Stanford University’s Office of Sexual Assault & Relationship Abuse
to find a way to get out of a bad situation.

- Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
- **Walk with purpose.** Even if you don’t know where you are going, act like you do.
- **Trust your instincts.** If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.
- **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
- **Make sure your cell phone is with you** and charged and that you have cab money.
- **Don’t allow yourself to be isolated** with someone you don’t trust or someone you don’t know.
- **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
- **When you go to a social gathering, go with a group of friends.** Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
- **Trust your instincts.** If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
- **Don’t leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you’ve left your drink alone, just get a new one.
- **Don’t accept drinks from people you don’t know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don’t drink from the punch bowls or other large, common open containers.
- **Watch out for your friends, and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they’ve had, or is acting out of character, get him or her to a safe place immediately.
- **If you suspect you or a friend has been drugged, contact law enforcement immediately.** UAB Police Department can be reached at (205) 934-3535 (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
- If you need to get out of an uncomfortable or scary situation here are some things that you can try:
  a. **Remember that being in this situation is not your fault.** You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
  b. **Be true to yourself.** Don’t feel obligated to do anything you don’t want to do. “I don’t want to” is always a good enough reason. Do what feels right to you and what you are comfortable with.
  c. **Have a code word with your friends or family** so that if you don’t feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
d. **Lie.** If you don’t want to hurt the person’s feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.

- **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
- **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

**ADDITIONAL SAFETY TIPS**

- Be alert. Watch for obvious strangers around your office, your home, or apartment. Check for signs of a break-in before entering an empty house, office, or car. Call the police if you see signs of forced entry to a building or a car.
- Call the police if you are experiencing any minor theft problems over a period of time.
- Involve your associates. If you are expecting a delivery or a guest in your absence, leave your keys with a neighbor or a coworker. Let your office staff and neighbors know when you will be away from home and ask them to challenge strangers in the area.
- Maintain a record of serial numbers of your property and of identification and credit cards. Include a brief description with each and keep this information in a safe place.
- Report any crime or suspicious activity to the police. Be prepared to supply as much information as possible, such as descriptions of people, property, and cars.
- Post the number for the UAB Police Department (205) 934-3535, and your local police and fire departments, near your phone at work and at home.
- If you need to contact the Police while on campus, use one of the HELP phones located at key areas around campus. Take a few minutes now to review the Help Phone Map (see page 58) to locate and identify HELP phones in those areas where you park, work, walk, or play. Simply lifting the receiver or pushing the red button of one of these green and yellow phones will put you through to the UAB Police Dispatcher immediately.
- If you would like additional information on crime prevention or wish to discuss a problem that may be crime related, contact the UAB Police Department at (205) 934-4434.
