

## THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

The Department of Pathology invites applications for a tenure earning Assistant Professor position in the Division of Molecular & Cellular Pathology, to study the innate, adaptive and regulatory immune responses to intestinal microbiota. Demonstrable expertise in the area of molecular and environmental determinants of immune regulation is essential. Successful candidates will have a demonstrated record of originality and productivity in research with demonstrated success at obtaining extramural grant support, and an interest in graduate and medical education. UAB, which ranks in the top 25 in NIH funding, is a dynamic, collaborative research institution with state of the art facilities, excellent graduate programs, and a commitment to post-doctoral education. The successful candidate will be expected to develop an active extramural funding program and will be expected to participate in the training of graduate students. Applicants must hold a Ph.D. in Microbiology or similar field. Salary will be commensurate with years of experience and training. A Pre-employment background investigation is performed on candidates selected for employment. Interested candidates should submit a cover letter that includes research interest/experience, a curriculum vitae, and the names of three references to: Rakesh Patel, Ph.D., Chair of Search Committee, Division of Molecular and Cellular Pathology, Department of Pathology, email [PATH-MCPMI@mail.ad.uab.edu](mailto:PATH-MCPMI@mail.ad.uab.edu)

**Applications must be received by November 30, 2014.**

*UAB is an [Equal Opportunity/Affirmative Action Employer](#) committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of, race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation.
