

THE UNIVERSITY OF ALABAMA AT BIRMINGHAM
Cytopathologist, Division of Anatomic Pathology

Applications are invited for an M.D. faculty position in Cytopathology and Surgical Pathology, Division of Anatomic Pathology in the Department of Pathology at the University of Alabama at Birmingham. Successful candidates will join a large faculty in the state-of-the-art department with a rich and diverse program in diagnostic service, basic, clinical and translational research, and teaching. Minimum requirements include an M.D. degree, license to practice in Alabama, board certification in Anatomic Pathology, and subspecialty board certification or eligibility in Cytopathology. Demonstration of research productivity will be a distinct advantage. Salary, rank and tenure-status are commensurate with experience and background. Applicants must be eligible to work in the United States. Interested candidates should submit a cover letter that includes research interest/experience, a curriculum vitae, and the names of three references to the attention of Gene P. Siegal, M.D., Ph. D., Robert W. Mowry Endowed Professor of Pathology, Director, Division of Anatomic Pathology, Department of Pathology, University of Alabama at Birmingham, path-aprecruits@mail.ad.uab.edu. All applications will be accepted until position is filled.

A pre-employment background investigation is performed on candidates selected for employment.
