Peace Corps Fellows Scholarship Application for Returned Peace Corps Volunteers

General Eligibility Requirements for Scholarships:

1. Applicant must be admitted to or enrolled as a full-time student in the University of Alabama at Birmingham School of Nursing in either the BSN or AMNP program. Enrollment requirements do not have to be met at the time of application, but must be met before scholarship funds are distributed.
2. **Applications and all supporting documents, including essay, letter of recommendation forms, and recommendation letters must be received by the Office of Student Affairs, UAB School of Nursing, Room 1003, SON Building at the same time as the application deadline to be considered for the scholarship award. See page 3 for additional information on supporting documents. No applications will be accepted after the deadline; your application package must be complete by then to be considered.**
3. We strongly encourage all applicants to complete the Free Application for Federal Student Aid through the UAB Financial Aid Office in order to be considered for need-based scholarships.

Administration of Scholarships:

1. Selection of scholarship recipients will be made by a School of Nursing Scholarship Committee appointed by the Dean in accordance with the general guidelines and specific criteria for the scholarship.
2. Scholarship awards will first be applied toward the recipient's tuition and fees (through the UAB Office of Financial Aid) for terms in which he or she is enrolled as a full-time student and in a regular clinical nursing course. Any scholarship funds in excess of the amount required for tuition and fees will be disbursed to the student for books, supplies, or school-related expenses when the terms of the particular scholarship allow this.

Application Procedure

2. Submit two recommendation packets (recommendation form and letter) completed by a previous college faculty member and/or your current employer. This packet should be returned to you in a sealed envelope to include with your application.
