About Tripp Umbach

- Founded in 1990

- Tripp Umbach is a nationally recognized consulting firm that provides comprehensive services ranging from research and strategic planning to economic impact analyses for medical schools, hospitals, non-profit organizations, communities, and corporations throughout the world. Tripp Umbach has completed more than 150 economic impact studies over the past 25 years for clients in North America, Australia, and Europe.

- Since 1995, Tripp Umbach has completed national studies of the economic impact of all 130 medical schools and 400 teaching hospitals for the Association of American Medical Colleges (AAMC).

- Recent economic impact studies completed for universities include:
  - Boston University
  - University of Southern Miss.
  - University of Arizona
  - University of Pittsburgh
  - University of Virginia
  - University of Vermont
