Overview

The University of Alabama at Birmingham is committed to providing a safe and secure environment for all faculty, staff, students, patients, and visitors. Located in the City of Birmingham, AL, UAB is part of a greater urban community. Within campus boundaries, there is a mixture of public and private property. Our campus boundaries are I-65; 10th, 11th, 12th, Avenues South; 22nd Street South and 2nd Avenue South. Overall, the campus consists of approximately 636 acres and 200 academic, residential, and recreational buildings, which translates into over 16 million square feet of functional building space.

A city within a city, UAB has over 19,000 students and more than 23,000 employees. Campus residence halls can accommodate over 2,500 students. Numerous visitors come to campus, and during special events, the number of visitors can exceed 50,000.

UAB is an open and vibrant campus. Except for residence halls, which are locked twenty-four hours per day, and some research areas, University facilities are open to the public during regular business hours. At other times, facilities are locked and only persons authorized, or the individual departments within the building may have access to the facility.

UAB Facilities maintains the University’s buildings and grounds with a concern for safety and security. Its staff regularly inspects the campus, evaluates lighting, and makes repairs affecting safety and security hazards such as broken windows and locks. The UAB Police Department and other departments assist Facilities by reporting potential safety and security hazards.

No campus is isolated from crime; however, UAB employs a variety of security measures to protect the campus community. All persons who come to campus are expected to obey all laws and University and department rules related to the use of each facility. Those who fail to comply are subject to arrest and/or disciplinary action through the University.
Location
The UAB Police Department is located at 1117 14th Street South, Birmingham, AL. The Department is open twenty-four hours a day, seven days a week, including weekends, holidays, and semester breaks.

Responsibilities
Primarily responsible for protecting the life and property of people on the UAB campus, officers patrol the campus on a twenty-four hour basis and provide a full range of public safety services including: Investigating criminal incidents and traffic accidents, providing first response to emergencies, enforcing laws and University policies, completing criminal and traffic reports, and conducting crime awareness and prevention programs. When a criminal act is reported, the Department will investigate the incident and make every reasonable effort to identify the offenders. Depending on the wishes of the victim, nature of the offense, and the evidence gathered, the case may be presented for prosecution in the criminal courts of Alabama. If a member of the UAB community is identified as an offender in an incident, the UAB Police Department also will notify the appropriate University administrator so that administrative disciplinary action may be taken.

Training
Officers are professionally trained and certified in accordance with the Alabama Peace Officer’s Standards and Training Council and attend continuing in-service training programs to further their skills.

Authority Code of Alabama section 16-47-10
The President of the University may appoint or employ one or more suitable persons to act as police officers to keep off intruders and prevent trespass upon and damage to the property of the University. Such person shall be charged with all the duties and invested with all the powers of police officers. The officer may eject trespassers from the University buildings and grounds. The officer may, without warrant, arrest persons who commit disorderly conduct, or trespass on the property of the institution, or in any circumstance in which an arrest by a police officer without a warrant is authorized by law, and carry them before the nearest district court or municipal court charged with the trial of such offenders. Upon proper affidavit charging the offense, the person arrested may be tried by the court and convicted as in the case of persons brought before the court on a warrant. The officers may summon a posse comitatus.

Joint Commission
UAB Police Officers share a joint commission with the Birmingham City Police Department (BPD), effective September 1, 1976, and revised May 5, 1986. The BPD Directive (201-2) permits the enforcement of city ordinances, initiating arrests for criminal acts, investigation of alleged criminal offenses, and the booking of prisoners in the Birmingham City Jail. The Joint Commission empowers UAB Officers to enforce City ordinances on all streets and avenues, which intersect the campus, as well as on adjoining and adjacent properties of the campus.
HOW YOU CAN HELP CREATE A SAFE CAMPUS
Safety, security, and crime prevention are the responsibilities of everyone. The cooperation and involvement of faculty, staff, and students are essential to having a safe campus. The safety and security of you and your belongings begin with your own awareness and commitment to the safety of the community. Following is a list of resources you can use to help create a safe campus for yourself and others.

REPORTING INCIDENTS
Like any other community of 40,000 people, UAB experiences accidents, injuries, crimes, and other emergencies. To report voluntary incidents, potential criminal actions or suspicious incidents, UAB faculty, medical personnel, staff, students, and visitors should notify the UAB Police Department at (205) 934-3535. The University has emergency two-way (blue light) phones throughout campus for use during emergencies. By pressing the red button on the stations, users can communicate directly with the UAB Police Communications Center. To report an incident of a confidential nature, an individual should contact a Campus Security Authority (UAB Police, Athletics, Student Housing & Residential Life, Student Affairs, Provost, Student Services, Resident Coordinators, Resident Assistants, and Faculty Advisors to Student Organizations).

MONITORING AND RECORDING OFF-CAMPUS ACTIVITY
The University relies on its working relationships with the local law enforcement agencies to receive information about incidents involving students off-campus. The UAB Police Department will actively investigate any crime information it receives concerning or involving a member of the campus community. If the University is notified of a crime, the department may issue a crime alert, detailing the incident and providing tips so that other community members may avoid similar incidents.
STAY INFORMED
The UAB Police Department uses a variety of methods to keep the campus informed about incidents occurring on and near campus. The Department website uab.edu/police contains information about crime prevention, programs and services, Department news and events, links to outside resources, and much more.

STUDENT AND FACULTY/STAFF MEDIA OUTLETS
UAB Student Media’s newspaper, The Kaleidoscope, student e-Newsletter, GreenMail, and the faculty/staff e-Newsletter, the eReporter, have access to incident summaries and publish stories covering serious incidents and crime awareness information. The Kaleidoscope and GreenMail are published weekly during the academic year, and the eReporter is published bi-weekly.

RAVE GUARDIAN
A variety of resources and services are available to UAB students and employees that contribute to the overall safety and security of the campus, reducing the success of criminals. Rave Guardian is a way to improve your personal safety and protect your friends by building your own private safety network. This free app provides instant communications with friends, family, co-workers, UAB Police, and even 911 in the event of an emergency. The app can be downloaded from the Apple App Store and Google Play Store. See https://www.uab.edu/emergency/rave-guardian for more information regarding Rave Guardian.

PUBLICATIONS
The UAB Police Department prepares and distributes numerous brochures and pamphlets covering topics such as sexual assault awareness, general crime prevention, harassing phone calls, bicycle safety and security, and traffic safety.

NEW STUDENT AND EMPLOYEE ORIENTATIONS
New students are provided crime awareness information through New Student Orientation. New employees receive information through the New Employee Orientation Program.

EMERGENCY/PUBLIC TELEPHONES
For the safety of the UAB community, 460+ emergency/public telephones are strategically located across campus. These telephones may be used to make campus calls. For emergencies, press the red emergency button, which will connect you directly with the UAB Police Department. Your location will be automatically identified for the police dispatcher, and a UAB police officer will be dispatched to the area if necessary.

LOST AND FOUND
The UAB Police Department operates a lost and found area. You can stop by the UAB Police Department to drop off found property or inquire about lost property. Call (205) 934-4649 for more information.

OPERATION IDENTIFICATION
This program assists community in marking and tracking information (serial and model numbers, etc.) about valuable items such as calculators, computers, and televisions. Engravers for marking valuables are available, and participants in this program are provided with inventory cards. Call (205) 934-2409 for more information.

SECURITY SURVEYS
Free security surveys are offered by the UAB Police Department for campus buildings and on-campus residents. For more information, call (205) 934-2409.
Living on Campus
UAB encourages its students who do not reside with their parents or families to live in the residence halls. The Housing Department supervises the assignment of rooms for single and married students. For a complete guide containing information about Housing facilities and services, costs, priorities and policies, and residence hall safety, contact the UAB Housing Department at (205) 934-2092.

ACCESS TO CAMPUS FACILITIES AND RESIDENCE HALLS
Access to campus buildings and grounds is a privilege extended to students, faculty, staff, and authorized guests. The University encourages an open environment with limited constraints to ensure the reasonable protection of all members of the community. Except for residence halls, most campus facilities are open during weekday business hours. Individuals who wish to access University buildings or property during non-business hours or for special events should contact the appropriate department administrator, Conference and Event Services, or the UAB Police Department.

Exterior doors of the residence halls are locked twenty-four hours a day. A resident's ONE card also unlocks the main door and they have a separate room key. All visitors must sign in and be escorted through the residence halls by a resident. In the event of a lost key, the student's room locks are changed.

STAFF TRAINING
All residence life staff members undergo thorough training in enforcing residence hall security policies. As part of the responsibility for residence hall security, all residence life staff members participate in lectures and seminars that are conducted by University administrators and police and associated with the safety and security of the campus.

SECURITY CONSIDERATIONS IN THE MAINTENANCE OF CAMPUS FACILITIES
The University is committed to campus safety and security. Exterior lighting and landscape control is a critical part of that commitment. Representatives from various departments continually conduct security surveys to ensure campus lighting is adequate and that the landscape is appropriately controlled. Department members conduct routine checks of lighting on campus during regularly assigned patrol duties. If lights are out or dim, officers will initiate an immediate work order, which is acted upon by a representative of the appropriate maintenance office, usually within 24 hours or the next business day. We encourage community members to report any deficiency in lighting to Facilities at (205) 934-2281. Any community member who has a concern about physical security should contact the Physical Security Department at (205) 934-3708.
Representatives from the police department and physical security work together to identify inoperative locking mechanisms on a continual basis. We encourage community members to promptly report any locking mechanism deficiency to Physical Security at (205) 934-3708, or to the UAB Police Department at (205) 934-4434. Maintenance staff is available to respond to calls for service regarding unsafe facility conditions or for personal safety and property protection. These conditions also may include unsafe steps or handrails, unsafe roadways on campus, and unsecured equipment.

LIVING IN OFF-CAMPUS HOUSING, FRATERNITIES, AND SORORITIES
Neither the Housing Department nor UAB provides supervision for off-campus housing, apartments, and individual homes. Sororities and fraternities educate their members on safety and security in their houses and on campus. All students receive crime awareness information. Students, whether they live on or off campus, are encouraged to report all crimes to the appropriate police agency.

If community members report crimes or serious incidents to other University administrators, those administrators will notify the UAB Police Department. Representatives of these offices will promptly notify and collaborate with the UAB Police Department to issue a crime alert if one is appropriate.
CAMPUS TRANSPORTATION

UAB BLAZER EXPRESS
The UAB Blazer Express Transit System is a service that provides transportation throughout the University campus. With a valid UAB ID badge, students, employees, and authorized visitors can enjoy fare-free bus transportation along six designated routes. All buses are ADA-accessible and can seat approximately 35 riders. Bus service is provided Monday – Friday from 5:30AM - 12:00AM. Late night, on-demand service is available seven nights a week from 9:00 PM – 5:30 AM by calling (205) 934-8772.

MOTORIST ASSISTANCE ROADSIDE SERVICE (MARS)
Motorist Assistance Roadside Service (MARS) is a free service available to all visitors, students, and employees parking on campus who need help with a dead battery, flat tire, keys locked in a car, or empty gas tank. The service is available weekdays 7:30 AM - 10:00 PM, except University holidays. For assistance, call (205) 975-6277.

MISSING PERSON PROCEDURES
Students who reside in on-campus housing facilities are encouraged to report a student that has been missing for 24 hours to the UAB Police Department (UABPD) or a campus security authority. The campus security authority (Athletics, Student Housing & Residential Life, Student Affairs, Provost, Student Services, Resident Coordinators, Resident Assistants, and Faculty Advisors to Student Organizations) will be required to report any official missing student to the UABPD. Per the Clery Act, the University will give each student living in an on-campus housing facility the option to identify a contact person(s) who the institution shall notify if the student is determined to be missing by the UABPD.

Students contact information will be registered confidentially, and this information will be accessible only to authorized campus officials and the UABPD. This information may not be disclosed outside of a missing person investigation. Students under 18 years of age and not emancipated, the institution will notify a custodial parent or guardian when the student is determined to be missing within 24 hours, in addition to any additional contact person designated by the student.

If a student did not name a contact person to notify, and the UABPD receives a report that the student is missing, the UABPD will conduct an investigation to determine if the student is officially missing. If the student has designated a contact person, the UABPD will notify that contact person within 24 hours. If the student is under 18 years of age and is not emancipated, the UABPD will notify the student’s custodial parent or guardian and any other designated contact person within 24 hours. Regardless of whether the student has identified a contact person, is above the age of 18 or is an emancipated minor, UABPD will conduct an investigation to determine if the student is officially missing within 24 hours.

CRIME AWARENESS AND PREVENTION SPEAKERS
You can request a speaker from the UAB Police Department to come and talk with your group or organization about crime awareness and prevention. To request a speaker, call (205) 934-2409.

SAFETY AND SECURITY PROGRAMS
The UAB Police Department has a full-time crime prevention specialist that provides educational programming to the University community. Educational programs include:

1. Campus Watch- This program encourages the community to take an active role in the fight against crime.
2. Police Advisory Council - Volunteers from within the community that listens to the needs of the people and presents those concerns to the Chief.
3. Drug and Alcohol Abuse- This program is designed to educate our students on the cause and effect of drugs and alcohol abuse.

Safety programs begin with orientation for incoming freshmen and their parents. Once school begins, the Crime Prevention Unit continues with educational programs throughout the year in the residence halls as requested. All programs are available to students, faculty, and staff upon request or if a need becomes apparent.

SGA: Students interested in improving campus safety should contact the Student Government Association (SGA) at (205) 934-8020.
PROGRAMS TO PREVENT DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

The University engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault and stalking that:

- Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research, or assessed for value, effectiveness, or outcome; and
- Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees, and ongoing awareness and prevention campaigns for students and that:

- Identifies domestic violence, dating violence, sexual assault and stalking (as defined by the Clery Act) as prohibited conduct;
- Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
- Defines what behavior and actions constitute consent to sexual activity in the State of Alabama;
- Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene;
- Provides information on risk reduction;
- Information regarding:
  - Procedures victims should follow if a crime of domestic violence, dating violence, sexual assault, and stalking occurs (as described in “Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault and Stalking Occurs” elsewhere in this document);
  - How the institution will protect the confidentiality of victims and other necessary parties (as described in “Assistance for Victims: Rights and Options” elsewhere in this document);
  - Existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims, both within the institution and in the community (as described in “Assistance for Victims: Rights and Options” elsewhere in this document); and
  - Options for available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures (as described in “Assistance for Victims: Rights and Options” elsewhere in this document);
  - Procedures for institutional disciplinary action in cases of alleged dating violence, domestic violence, sexual assault, or stalking (as described in “Adjudication of Violations” elsewhere in this document);

The University has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students; participating in and presenting information and materials during new employee orientations; presenting programs throughout the year at least on a quarterly basis, including sessions such as: skits, clothesline projects, a residence hall speaker series, an annual poster series and web-based training programs regarding the Role of Faculty in Assisting Students Who Disclose Abuse or an Assault (see page eight for a list and short description of programs provided by the UAB Police Department).

PRIMARY PREVENTION AND AWARENESS PROGRAMS

The term primary prevention refers to programming, initiatives, and strategies intended to stop domestic violence, dating violence, sexual assault, or stalking before it occurs to prevent initial perpetration or victimization through the promotion of positive and healthy behaviors and beliefs. Efforts to change behavior and social norms, and promote healthy relationships, healthy sexuality and egalitarian gender roles, or efforts to understand risk factors and protective factors for bystander inaction and change social norms around bystander inaction are all examples of primary prevention.
The University offered the following primary prevention and awareness programs for all incoming students in 2016:

**ONGOING PREVENTION AND AWARENESS PROGRAMS**

The term ongoing awareness and prevention campaigns refer to campaigns that are sustained over time focusing on increasing awareness or understanding of topics relevant to SA, DoV, DaV and stalking prevention. These programs will occur at different levels throughout the institution (i.e. faculty, athletics, incoming students) and will utilize a range of strategies. Ongoing awareness and prevention campaigns may include information about what constitutes sexual assault, dating violence/intimate partner abuse, and stalking, changing social norms, promoting recognition of perpetrator tactics, enhancing understanding of consent, and advancing prosocial behaviors of individuals and communities. Effective ongoing awareness and prevention campaigns will include developmentally appropriate content for the specific audience and their knowledge and awareness level and provide positive and concrete ways for individuals to get involved.

### SEXUAL ASSAULT OFFENSES – CONSENT, SEXUAL ASSAULT & SEXUAL EXPLOITATION, FONDLING, INCEST, RAPE & STATUTORY RAPE

#### CONSENT

**UAB**

Clear, voluntary permission, which cannot be inferred by the absence of verbal or physical resistance. A lack of consent results from forcible compulsion or incapacity to consent. Forcible compulsion is a physical force or a threat, whether expressed or implied, that places a person in fear of immediate serious physical injury or economic harm to him/herself or a third party.

A person is deemed incapable of providing consent if, at the time of the act, the person:

- Is under the age of 16;
- Suffers from a mental impairment, whether temporary or permanent, which renders them incapable of appraising the nature of his or her conduct (e.g., age, disability, or temporary impairment due to drug or alcohol consumption); or
- Is physically helpless (e.g., unconscious), asleep, or in a state of shock.

Consent can be withdrawn by either party at any point. Consent must be voluntarily given and may not be valid if a person is being subjected to actions or behaviors that elicit emotional or psychological pressure, intimidation, or fear. Consent to engage in one sexual activity, or past agreement to engage in a particular sexual activity, cannot be presumed to constitute consent to engage in a different sexual activity or to engage again in a sexual activity. For purposes of this Policy, the issue is whether the Respondent knew, or should have known, that the activity in question was not consensual.

**FEDERAL**

The affirmative, unambiguous, and voluntary agreement to engage in a specific sexual activity during a sexual encounter. *Note: This is a suggested draft DOE definition of consent.*
(a) Whether or not specifically stated, it is an element of every offense defined in this article, with the exception of subdivision (a)(3) of Section 13A-6-65, that the sexual act was committed without consent of the victim.

(b) Lack of consent results from:
   (1) Forcible compulsion; or
   (2) Incapacity to consent; or
   (3) If the offense charged is sexual abuse, any circumstances, in addition to forcible compulsion or incapacity to consent, in which the victim does not expressly or impliedly acquiesce in the actor’s conduct.

(c) A person is deemed incapable of consent if he is:
   (1) Less than 16 years old; or
   (2) Mentally defective; or
   (3) Mentally incapacitated; or
   (4) Physically helpless. ALA. CODE § 13A-6-70

   • Exceeding the boundaries of explicit consent, such as allowing friends to hide in a closet to be witness to one’s consensual sexual activity;

### HARASSMENT & SEXUAL HARASSMENT

**UAB**

**SEXUAL HARASSMENT**

Sexual Harassment is any unwelcome sexual advance, request for sexual favors, or other unwanted conduct of a sexual nature, whether verbal, non-verbal, graphic, physical, or otherwise, when the conditions outlined in (1) and/or (2), below, are present.

Gender-Based Harassment includes harassment based on gender, sexual orientation, gender identity, or gender expression, which may include acts of aggression, intimidation, or hostility, whether verbal or non-verbal, graphic, physical, or otherwise, even if the acts do not involve conduct of a sexual nature, when the conditions outlined in (1) and/or (2), below, are present.
1. Submission to or rejection of such conduct is made, either explicitly or implicitly, a term or condition of a person’s employment, academic standing, or participation in any University programs and/or activities or is used as the basis for University decisions affecting the individual (often referred to as “quid pro quo” harassment); or

2. Such conduct creates a hostile environment. A “hostile environment” exists when the conduct is sufficiently severe, persistent, or pervasive that it unreasonably interferes with, limits, or deprives an individual from participating in or benefiting from the University’s education or employment programs and/or activities. Conduct must be deemed severe, persistent, or pervasive from both a subjective and an objective perspective. In evaluating whether a hostile environment exists, the University will consider the totality of known circumstances, including, but not limited to:
   • The frequency, nature and severity of the conduct;
   • Whether the conduct was physically threatening;
   • The effect of the conduct on the Complainant’s mental or emotional state;
   • Whether the conduct was directed at more than one person;
   • Whether the conduct arose in the context of other discriminatory conduct;
   • Whether the conduct unreasonably interfered with the Complainant’s educational or work performance and/or University programs or activities; and
   • Whether the conduct implicates concerns related to academic freedom or protected speech.

A hostile environment can be created by persistent or pervasive conduct or by a single or isolated incident, if sufficiently severe. The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment, particularly if the conduct is physical. A single incident of Sexual Assault, for example, may be sufficiently severe to constitute a hostile environment. In contrast, the perceived offensiveness of a single verbal or written expression, standing alone, is typically not sufficient to constitute a hostile environment.

**OTHER DEFINITIONS**

1. Student: Any person who is admitted, or enrolled at the University of Alabama at Birmingham, and is pursuing undergraduate, graduate, or professional studies, including full-time and part-time status, as well as any person attending classes on campus, online or off campus. A Student is also: (1) Any person who is not officially enrolled for a particular term, but has a continuing relationship with the University. (2) Any person who is admitted and participating in orientation is considered a “student.” (3) Any person who has completed an academic term and can be reasonably expected to enroll the following term. (4) Any person who attended the University during a previous academic term and who committed an alleged violation of the Code during the time of enrollment.

2. Student organization means any group of students that has complied with the University’s requirements for registration as a student organization.

3. University Official includes any person employed by the University performing administrative, professional, research, teaching, or para-professional responsibilities.

4. Complainant is an individual who is reported to be or alleges that they were the victim of an offense.

5. Respondent is an individual who has been accused of an offense.

6. Ongoing prevention and awareness campaigns means programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual assault, and stalking, using a range of strategies with audiences throughout the Institution.

7. Programs to prevent: The term programs to prevent refers to comprehensive educational and training programs intended to prevent violence that incorporate diverse approaches that are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and consider risk and protective factors as they occur on the individual, relationship, community, and societal levels.
8. Primary prevention programs means programming, initiatives, and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

PROCEDURES VICTIMS SHOULD FOLLOW IF A CRIME OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT AND STALKING OCCURS

After an incident of sexual assault and domestic violence, the victim should consider seeking medical attention as soon as possible at the Rape Response and the Sexual Assault Nurse Examiner (SANE) Facility, called Rape Response at (205) 323-7273. In Alabama, evidence may be collected even if you chose not to make a report to law enforcement. If you are on or near the UAB campus, you may contact the UAB Police at 205-934-3535, and the dispatcher will notify a police officer who will transport you to the local rape crisis center, SANE Facility. If you are off-campus and need assistance, contact local law enforcement by dialing 911. University personnel will assist the student in notifying these authorities if the student requests the assistance of these personnel.

You may also contact Rape Response directly at 205-323-RAPE (7273). This is a 24-hour confidential hotline. At Rape Response/SANE, you will receive a range of free and confidential services, including a medical examination, forensic evidence collection, medical advocacy, crisis counseling, and legal advocacy services. A qualified physician or nurse will examine you for injuries and collect physical evidence that could be used in proceedings if you decide to prosecute. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the criminal offense occurred or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or a sexually transmitted disease. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to University hearing boards/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making an investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with UAB Police or other law enforcement personnel to preserve evidence in the event that the victim changes her/his mind later.

INVOlVEMENT OF LAW ENFORCEMENT AND CAMPUS AUTHORITIES

Although the University strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim’s choice whether to make such a report. Furthermore, victims have the right to decline involvement with the police. In Alabama, you may file a police report without providing your name. The Office of Student Conduct will assist any victim with notifying local police (if the victim so desire). UAB Police Department may also be reached directly by calling (205) 934-4434, in person at 1117 14th Street South. Additional information about the UAB Police Department may be found online at uab.edu/police.
REPORTING INCIDENTS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator, Kasey M. Robinson by phone (205) 996-1340, in writing Kaseyr@uab.edu, or in person Hill Student Center, Suite 303, 1400 University Blvd and UAB Police at (205) 934-4434, 1117 14th Street South (if the victim so desires). Reports of all domestic violence, dating violence, sexual assault and stalking made to UAB Police will automatically be referred to the Title IX Coordinator for investigation regardless of if the complainant chooses to pursue criminal charges.

PROCEDURES THE UNIVERSITY WILL FOLLOW WHEN A CRIME OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING IS REPORTED

The University has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as housing, academic, transportation and working accommodations, if reasonably available. The University will make such accommodations, if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to the UAB Police Department (UABPD) (205) 934-4434 or local law enforcement.

In addition to reporting to UAB Police, any person may also make a report, including anonymously, of domestic violence, dating violence, sexual assault, and stalking to the Title IX Coordinator, Human Resources, or the Office of Diversity, Equity and Inclusion:

Rights of Victims and the University’s Responsibilities for Orders of Protection, “No Contact” Orders, Restraining Orders, or Similar Lawful Orders Issued by a Criminal, Civil, or Tribal Court or by the University

UAB complies with Alabama law in recognizing protection from abuse orders. Any person who obtains an order of protection from the State of Alabama or any other state should provide a copy to UAB Police and the Office of the Title IX Coordinator. A complainant may then meet with UAB Police to develop a Safety Action Plan, which is a plan for UAB Police and the victim to reduce the risk of harm while on campus or coming and going from campus. This plan may include but is not limited to: imposing a no contact order on the Responding party; residence hall room change for one or more involved parties; changes in academic schedules or assignments for one or both parties; and interim suspension of the Responding party. The University cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s). To apply for a Protection From Abuse Order (PFA), you must file a petition, which can be obtained from the circuit clerk in your county, usually located at the county courthouse.

The University may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. If the University receives a report that such an institutional no contact order has been violated, the University may initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order.

Accommodations and Protective Measures Available for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, UAB will provide written notification to students and employees about accommodations available to them, including academic, living, transportation and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the accommodations).

At the victim’s request, and to the extent of the victim’s cooperation and consent, university offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered changes to academic, living, working or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Potential changes to living situations may include moving to a different room or residence hall. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

To request changes to academic, living, transportation and/or working situations or protective measures, a victim should contact the Office of Student Conduct (students) and UAB HR Office of Employee Relations (employee). The Office of Student Conduct and the Title IX Coordinator (students), and/or Human Resources (employees) can assist victims with these accommodations.
On and Off Campus Services for Victims

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, UAB will provide written notification to students and employees about existing assistance with and/or information about obtaining resources and services including counseling, health, mental health, victim, legal assistance, visa and immigration assistance, student financial aid and assistance in notifying appropriate local law enforcement. These resources include the following:

### Confidentiality

Victims may request that directory information on file with the University be withheld by request through the UAB One Stop Student Services, (205) 934-4300.

Regardless of whether a victim has opted-out of allowing the University to share “directory information,” personally identifiable information about the victim and other necessary parties will be treated as confidential and only shared with persons who have a specific need-to-know, i.e., those who are investigating/adjudicating the report or those involved in providing support services to the victim, including accommodations and protective measures. By only sharing personally identifiable information with individuals on a need-to-know basis, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

The University does not publish the name of crime victims or other identifiable information regarding victims in the Daily
Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

If you would like the details of an incident to be kept confidential, you may speak with on-campus counselors, campus health service providers, off-campus rape crisis resources (such as advocates or peer advisors), or clergy/chaplains. Campus counselors are available to help you free of charge and can be seen on an emergency basis during normal business hours. UAB Student Health and Wellness - Counseling Services can be contacted at (205) 934-5816. For emergency counseling available after normal business hours, please contact the Crisis Center (205) 323-7777 or Rape Response at (205) 323-7273. These counselors are not required to report any information about an incident to the Title IX coordinator without the victim's permission.

**Confidential Reporting to Pastoral and Professional Counselors/Voluntary Confidential Reporting**

Under the law, campus pastoral and professional counselors, when acting as such, are not considered a campus security authority and are not required to report crimes for inclusion in the annual disclosure of campus crime statistics. The University of Alabama at Birmingham encourages its counselors at Student Counseling Services and Employee Assistance and Counseling Center; if and when they deem it appropriate, to inform the persons they are counseling of procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. All verified and unverified confidential reports of offenses that meet the reporting criteria as determined by UABPD and that are made to Student Counseling Services and Employee Assistance and Counseling Center staff are included in UABPD campus crime statistics. Crimes reported to campus pastoral and other professional counselors, including but not limited to those at the Student Counseling Services and Employee Assistance and Counseling Center are not included unless the victim chooses to report to one of the other campus security authorities.

**Resolution of Violations**

The University's disciplinary process includes a prompt, fair, and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the institution’s policy and that is transparent to the accuser and the accused. Usually, the resolution of domestic violence, dating violence, sexual assault, and stalking complaints are completed within 60 days of the report. However, each proceeding allows for extensions of time-frames for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. University officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
2. The accuser, the accused and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meeting and hearings;
3. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;
4. The accuser and the accused will have the same opportunities to have others present during any institutional disciplinary proceeding. The accuser and the accused each have the opportunity to be advised by an advisor of their choice at any stage of the process and to be accompanied by that advisor to any related meeting or proceeding. The University will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. However, advisors are not allowed to speak and are allowed only to confer with their advisee. An advisor who violates this limitation could subject the advisee to additional sanctions or conduct action under the Student Code. Participants electing to be accompanied by an advisor must notify the Chair at least three (3) business days prior to the hearing;
5. The accuser and the accused will be notified simultaneously, in writing, of any initial, interim and final decision
of any disciplinary proceeding; and
6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.

In addition to the above, the Procedures for the Resolution of Sexual Misconduct Complaints against Students Policy allows both the complainant and respondent to have the following rights:

• To be treated with respect, dignity, and sensitivity.
• To receive appropriate support from the University.
• Privacy to the extent possible, consistent with applicable law and University policy.
• Information about the University’s Title IX Policy.
• The presence of an Adviser throughout the process.
• To participate or to decline to participate in the investigation or complaint resolution process. However, a decision not to participate in the process either in whole or in part will not prevent the University from proceeding with the information available.
• A prompt and thorough investigation of the allegations.
• Adequate time to review documents in the Title IX Coordinator’s report following the investigation.
• To appeal the investigation decision or any sanctions imposed.
• To challenge a Hearing Panel member(s) for a possible conflict of interest.
• To refrain from making self-incriminating statements. A resolution, however, will be determined with the information made available by the parties.
• To appeal the decision made by the Hearing Panel to the VP for Student Affairs.
• Notification, in writing, of the case resolution, including the outcome of any appeals.
• For the Complainant, to report the incident to law enforcement (including the UABPD or with the police department in the jurisdiction in which the sexual misconduct occurred) at any time.

UAB will disclose information about its investigation and resolution of sexual misconduct complaints only to those who need to know the information in order to carry out their duties and responsibilities. It will inform all University personnel participating in an investigation, proceeding, or hearing that they are expected to maintain the privacy of the process. This does not prohibit either a Complainant or Respondent from obtaining the assistance of family members, counselors, therapists, clergy, doctors, attorneys, or other resources.

In addition to the above, the Procedures for the Resolution of Sexual Misconduct Complaints against Faculty, Staff, Affiliates and Non-Affiliates Policy allows both the complainant and respondent to have the following rights:

• To be treated with respect, dignity, and sensitivity.
• To receive appropriate support from the University.
• The presence of an Adviser throughout the process.
• Confidentiality to the extent possible, consistent with applicable law and University policy.
• Information about the University’s Title IX Policy.
• A prompt and thorough investigation of the allegations.
• To refrain from making self-incriminating statements. A resolution, however, will be determined with the information made available by the parties.
• Notification, in writing, of the case resolution, including the outcome of any appeals.
• For the Complainant, to report the incident to law enforcement (including the UABPD or with the police department in the jurisdiction in which the sexual misconduct occurred) at any time.

Whether or not criminal charges are filed, the University or a person may file a complaint under the UAB Title IX Sexual Violence and Sexual Misconduct Policy.

Regardless of whether a Complainant decides to pursue a criminal investigation, the University’s Title IX Coordinator will take immediate steps to investigate the report, to protect the Complainant, and to ensure the safety of the campus community. If a criminal complaint is filed in addition to the University complaint, the University will continue implementing its own procedures regardless of the time line of the criminal proceedings or their outcome, unless the University is advised by the UABPD or other law enforcement agency that doing so could jeopardize the criminal investigation. Victims of sexual violence are not required to report to law enforcement in order to receive assistance from or pursue any options provided by UAB.

2. **How the University Determines Whether This Policy will be Used**

Any action involving a student is referred to the Title IX Coordinator or Deputy Title IX Coordinator to determine if this policy is applicable.

3. **Steps in the Disciplinary Process**

1. **Complaint**
a. When a report is made, the Title IX Coordinator or Deputy Coordinator will conduct an Initial Assessment. The assessment will determine whether the alleged conduct could present a potential violation of the Title IX Policy and whether further action is warranted based on the alleged conduct.

b. The Title IX Coordinator notifies the Complainant of the receipt of the report. This notice contains the applicable policies, rights of the Complainant, and resources.

c. Initial Assessment
   i. There will usually be a preliminary meeting between the Complainant and the Title IX Coordinator or Deputy Coordinator.
   ii. At the conclusion of the Initial Assessment, the Title IX Coordinator will determine the appropriate resolution route. Resolution may include: 1) no further action, 2) Voluntary Resolution, or 3) the initiation of an Investigation and Adjudication that may lead to conduct action. The Respondent will be notified when UAB takes action that would impact a Respondent, such as protective measures that restrict the Respondent’s movement on campus, the initiation of an Investigation, or the decision to seek informal resolution.

d. Voluntary Resolution
   i. Voluntary Resolution, when selected by the Complainant and deemed appropriate by the Title IX Coordinator, is a path designed to eliminate the conduct at issue, prevent its recurrence, and remedy its effects in a manner that meets the expressed preference of the Complainant and the safety and welfare of the campus community.
   ii. The University retains the discretion to determine, when selected by the Complainant, which cases are appropriate for Voluntary Resolution.
   iii. Refer to the Procedures for the Resolution of Sexual Misconduct Complaints against Students Policy for more information on Voluntary Resolution http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx.

2. Notification
   a. The Title IX Coordinator will send the Complainant and the Respondent and, if applicable, the Respondent’s appropriate supervisor, a written Notice of Investigation, which constitutes the formal charge.
   b. The Notice of Investigation will contain a summary of the allegation or conduct at issue, the range of potential violations under the Title IX Policy, and the range of potential sanctions.
   c. The Notice of Investigation will generally contain the following:
      i. Summary of the allegation or conduct at issue
      ii. Range of potential violations under the Title IX Policy
      iii. On and off campus resources
      iv. Rights of the Respondent
      v. Range of potential sanctions
      vi. Notification that expulsion is a potential sanction and that expulsion precludes matriculation (where appropriate)
   d. Once the Notice of Investigation has been delivered to the parties, the Investigation phase begins.

3. Title IX Investigation
   a. Following the Initial Assessment, the University will initiate a prompt, thorough, and impartial Investigation of conduct that is a potential violation of the Title IX Policy.
b. The Title IX Coordinator will designate an investigator(s) from the Title IX Coordinator and Human Resources, or an external investigator, who has training and experience investigating allegations of Prohibited Conduct.

c. During the Investigation, the Complainant and Respondent will have an equal opportunity to be heard, to submit information, and to identify witnesses who may have relevant information. The investigator will speak separately with the Complainant, the Respondent, and any other individuals who are willing to participate and have information relevant to the determination of responsibility.

d. Throughout the process, any participant may have an Advocate present at any meeting related to resolution of a report under the Title IX Policy. The Advocate can be anyone of the individual’s choosing, including an attorney, who is not otherwise a party or witness involved in the Investigation.

e. The investigator will also gather any available physical or documentary evidence.

f. At the conclusion of the Investigation, the investigator will prepare a written report that summarizes the information gathered, synthesizes the areas of agreement and disagreement between the parties with any supporting information or accounts, and includes an Investigative Finding regarding whether a Title IX Policy violation occurred. However, before the report is finalized, the Complainant and Respondent will be given the opportunity to review a draft Investigation Report, which will not include the Investigative Finding, and may be presented in redacted format. The parties will not receive an electronic or written copy, nor may they photograph or copy the draft Investigation Report, but they will be permitted to take notes on the content.

g. A Complainant and Respondent may submit any additional comment or information to the investigator within five (5) business days of the date of the notice of the opportunity to review the draft Investigation Report.

h. Both the Complainant and Respondent will be notified of the Investigative Finding and the recommended sanction(s) and/or remedy(ies) in writing at the same time.

4. Outcome Conference

a. If the Investigative Finding is that a Title IX Policy violation has occurred, both the Complainant and Respondent may:
   i. Accept both the Investigative Finding and recommended sanction;
   ii. Accept the Investigative Finding, but request a Hearing on the recommended sanction; or
   iii. Request a Hearing on the Investigative Finding and recommended sanction.

b. If the Investigative Finding is that no Title IX Policy violation has occurred, both the Complainant may:
   i. Accept the Investigative Finding (on one or all of the alleged violations); or
   ii. Request Administrative Review of the Investigative Finding (on one or all of the alleged violations).

c. The Complainant and Respondent must communicate their chosen course of action to the Title IX Coordinator in writing (e.g., email, facsimile, letter) within five (5) business days of notification of the Investigative Finding.

5. Adjudication Options

At the conclusion of the Outcome Conference, one of the following will occur:

a. Imposition of Final Finding, Sanction, and Remedy
   i. Administrative Review of an Investigative Finding of No Title IX Policy Violation
   ii. Adjudication by a Hearing Panel: Review of an Investigative Finding that a Title IX Policy Violation Occurred
   iii. Adjudication by a Hearing Panel: Review of Recommended Sanction Only
6. Imposition of Sanctions - *See below #7 Possible Sanctions*

7. Remedies

The Title IX Coordinator will identify long-term or permanent remedies to address the effects of the conduct on the Complainant, restore the Complainant’s safety and well-being, and maximize the Complainant’s educational and employment opportunities. For more information see the Procedures for the Resolution of Sexual Misconduct Complaints against Students Policy [http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx](http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx).

8. Hearing Process

The Hearing Process will generally be completed within twenty-five (25) business days from the date of the request for a Hearing. As with all time frames in the Title IX Policy and these Procedures, this time frame may be extended for good cause with notice to the parties in writing.

a. Hearing Panel

Upon receipt of a Notice of Hearing, a Hearing Panel will be designated to review all relevant information gathered in the Investigation. In addition to a Hearing Chair, a Hearing Panel is comprised of three (3) individuals, selected from a pool of trained individuals (typically including two faculty or staff members and one student). Any individual designated by the University to serve on a Hearing Panel must have sufficient training or experience to serve in this capacity. A Hearing Panel member may decline to participate on the basis of an actual conflict of interest, bias, or lack of impartiality. A Hearing Chair will conduct and preside over the hearings. The Hearing Chair is not a voting member of any Hearing Panel, but is available to provide consistency in process, informed understanding of Title IX Policy definitions, and guidance as to available sanctions; the Hearing Chair will also draft the Hearing Panel findings.

b. Pre-Hearing Meeting

As a first step, the Hearing Chair will meet separately with the investigator and each party to resolve pre-hearing concerns. At this pre-hearing meeting, the parties will each have the opportunity to identify the witnesses (who have already been identified to and interviewed by the investigator) they wish to call at the hearing; raise any challenge to the composition of the Hearing Panel based on bias, conflict of interest or lack of impartiality; and identify any evolving or new information not previously identified through the Investigation or available through the exercise of due diligence. The parties will also have the opportunity to address questions about the process. If not participating in the hearing, the Complainant is not required to attend this meeting.

Both parties have the ability to challenge a Hearing Panel member on the basis of an actual conflict of interest, bias, or lack of impartiality. The request must be submitted in writing or raised no later than the date of the pre-hearing meeting and must clearly state the grounds to support a claim of bias, conflict of interest, or an inability to be fair and impartial. Failure to object prior to the date of the pre-hearing meeting eliminates the possibility of appealing the outcome of the hearing based on the assertion that a member of the Hearing Panel had a conflict of interest, was biased, or lacked impartiality.

c. Hearing Procedures

The Hearing will take place in a closed session. At the Hearing, the investigator will be responsible for presenting the evidence supporting the Investigative Finding of a Title IX Policy violation. However, the Hearing Panel will make its own determination by a preponderance of the evidence whether a Title IX Policy violation occurred. In reaching a determination, the Hearing Panel will solicit information from the investigator, the Complainant, the Respondent, and any witnesses as appropriate to ensure a full assessment of the relevant facts. This information shall be provided in the presence of the parties, unless a party waives their right to participate.
The Complainant and Respondent will be granted the opportunity to appear before the hearing panel if they wish and make an oral statement regarding the facts. During the hearing, each party may be accompanied by an Advocate. Upon request, a party or witness may participate by telephone or videoconference from a different physical location or may request that a visual barrier be placed to limit the individual’s exposure to other hearing participants. The Complainant and Respondent will not be in the hearing room together, unless both parties agree in writing. The party who is not before the Hearing Panel may have audio access to the hearing via telephone when the other party appears.

A Respondent, Complainant, adviser, and/or witness may not bring electronic devices that capture or facilitate communication (e.g., computer, cell phone, audio/video recorder, etc.) into a hearing room. The Title IX Coordinator will make an audio recording of the hearing to be kept on file in accordance with UAB’s document retention policy. Reasonable care will be taken to create a quality audio recording and minimize technical problems; however, technical problems that result in no recording or an inaudible one will not be a valid argument for appeal.

Questions directed to the parties will be made through the Hearing Chair, who will screen them for relevance. Questions may be directed to the investigator. Similarly, the parties have the right to question witnesses; however, the Hearing Chair has the discretion to determine that the questions will be made through the Hearing Chair in cases where the Hearing Chair determines that questioning by the parties will be unduly intimidating to a witness. In all such instances, the Hearing Chair may require measures to assure the integrity of the process.

The Hearing Panel will not review any Impact Statements unless a determination of a Title IX Policy violation is made. After a consideration of all of the relevant information, the Hearing Panel will make a determination by a preponderance of the evidence whether a Title IX Policy violation occurred. Preponderance of the evidence means that it is more likely than not that the conduct occurred. The Hearing Panel’s determination must be reached by a majority vote. If so, the Hearing Panel will also impose a sanction. Sanctions of suspension or expulsion must be supported by a unanimous vote. A majority vote is required for all other sanctions.

9. Notice of Hearing Outcome

Within five (5) business days of the conclusion of the Hearing, the University will provide a written Notice of Hearing Outcome to the Complainant and the Respondent at the same time. The Title IX Coordinator will also provide written notice, at the same time to both parties, of any change in the Outcome that occurs before the Outcome becomes final.

The Notice of Hearing Outcome will include the finding by the Hearing Panel as to whether there is a Title IX Policy violation, the rationale for the result, and a brief summary of the evidence on which the decision is based, as appropriate. Where there is a finding of a Title IX Policy violation, the Respondent will be informed of any sanctions, the date by which the requirements must be satisfied (if applicable), and the consequences of failure to satisfy the requirements. The Complainant will be informed of any sanctions and remedies that directly relate to the Respondent, including information about the Respondent’s presence on campus (or in a shared class or residence hall), that may help a Complainant make informed decisions or work with the University to eliminate Prohibited Conduct and prevent its recurrence.

The Notice of Hearing Outcome will also include information about the appeal process, including the available grounds for an appeal, the time frame for submitting an appeal, and the name of the Appeals Officer who will be assigned to review any appeal filed. If neither party seeks an appeal within five (5) business days of the Notice of Outcome, any sanction imposed by the Hearing Panel will take effect immediately.

10. Appeal/Review of Hearing Outcome

Either party may appeal the Notice of Hearing Outcome to the VP of Student Affairs (“Appeals Officer”). Either party may appeal the Hearing Outcome only on the following grounds:

- A violation of procedural due process (material deviation from established procedures that would substantially affect the Outcome);
• Newly discovered information has been obtained that was not previously available during the Investigation or Adjudication Processes through the exercise of due diligence, and this newly discovered information would substantially affect the Outcome. The parties may appeal the portions of the Hearing Outcome that directly relate to that party. Mere dissatisfaction with the Hearing Outcome is not a valid basis for appeal.

• The appeal must be submitted in writing to Title IX Coordinator within five (5) business days of the Notice of Hearing Outcome.

• If the appeal is properly filed, each party will be given the opportunity to review the written appeal and respond to it in writing to the Appeals Officer. Any response by the opposing party must be submitted to the Appeals Officer within three (3) business days from being provided the appeal. If both parties file an appeal, the appeal documents from each party will be considered together in one appeal review process.

• Depending on the basis of the requested appeal, the Appeals Officer may:
  • Affirm the Outcome;
  • Alter the Outcome;
  • Return the matter to the Hearing Panel with instructions to reconvene to cure a procedural error or to assess the weight and impact of newly discovered information.
  • Where the procedural error cannot be cured by returning the matter to the original Hearing Panel, convene a hearing before a newly constituted Hearing Panel.

The Appeals Officer will render a written decision on the appeal to both parties within fifteen (15) business days from the date of the submission of all appeal documents. Appeal decisions by the Appeals Officer are final.

See the Procedures for the Resolution of Sexual Misconduct Complaints against Students Policy for more information on this process http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000780.aspx.

11. Post-Resolution Follow Up

After a sanction or remedy is issued, the Title IX Coordinator will periodically contact the Complainant to ensure the Prohibited Conduct has ended and to determine if additional remedies are necessary and will contact the Respondent to assure compliance with any sanctions that have been imposed. The Complainant may decline future contact. Any violation by a Respondent of a sanction or protective measure imposed under the Title IX Policy or a failure by a University employee to provide a specified remedy should be reported to the Title IX Coordinator.

The Complainant and Respondent are encouraged to provide the Title IX Coordinator with feedback about their experience with the process and recommendations regarding ways to improve the effectiveness of the campus’ implementation of the Title IX Policy.

4. Anticipated Timelines

Consistent with the goal to maximize educational opportunities and minimize the disruptive nature of the investigation and resolution, the Title IX Coordinator seeks to resolve all reports within 60 days, depending on when the report is received. Best efforts will be made to complete the process in a timely manner by balancing principles of thoroughness and fundamental fairness with promptness. More specific timelines can be found in the above section (Steps in the Disciplinary Process).

5. Decision-Making Process

a. The Complainant and Respondent will be provided the opportunity to submit a written Impact Statement. These written Impact Statements will not be considered in the determination of responsibility, but will be provided to the investigator, and at the appropriate stage of the process, to the disciplinary authority or Hearing Panel for consideration in the determination of the sanction and remedy. The Impact Statement may be submitted at any time in the process, provided that it is received no later than five (5) days after
the parties have been given notice of the opportunity to review the draft Investigative Report. The parties may submit a supplemental Impact Statement to the disciplinary authority or Hearing Panel if there is a change in circumstances warranting an updated Impact Statement. The Impact Statements will be shared with the parties, and may be redacted at the discretion of the Title IX Coordinator, or in accordance with FERPA.

b. At the conclusion of the Investigation, the investigator will prepare a written report that summarizes the information gathered, synthesizes the areas of agreement and disagreement between the parties with any supporting information or accounts, and includes an Investigative Finding regarding whether a Title IX Policy violation occurred. However, before the report is finalized, the Complainant and Respondent will be given the opportunity to review a draft Investigation Report, which will not include the Investigative Finding, and may be presented in redacted format. The parties will not receive an electronic or written copy, nor may they photograph or copy the draft Investigation Report, but they will be permitted to take notes on the content.

c. A Complainant and Respondent may submit any additional comment or information to the investigator within five (5) business days of the date of the notice of the opportunity to review of the draft Investigation Report.

d. Both the Complainant and Respondent will be notified of the Investigative Finding and the recommended sanction(s) and/or remedy(ies) in writing at the same time.

e. The investigator has the discretion to determine the relevance of any witness or other evidence to the finding of responsibility, and may exclude information in preparing the investigation report if the information is irrelevant, immaterial, or more prejudicial than informative. The investigator may also exclude statements of personal opinion by witnesses and statements as to general reputation for any character trait, including honesty. The investigator will not exclude direct observations or reasonable inferences drawn from the facts.

f. The Complainant and Respondent will be provided the opportunity to submit a written Impact Statement. These written Impact Statements will not be considered in the determination of responsibility, but will be provided to the investigator, and at the appropriate stage of the process, to the disciplinary authority or Hearing Panel for consideration in the determination of the sanction and remedy. The Impact Statement may be submitted at any time in the process, provided that it is received no later than five (5) days after the parties have been given notice of the opportunity to review the draft Investigative Report. The parties may submit a supplemental Impact Statement to the disciplinary authority or Hearing Panel if there is a change in circumstances warranting an updated Impact Statement. The Impact Statements will be shared with the parties, and may be redacted at the discretion of the Title IX Coordinator, or in accordance with FERPA.

7. Possible Sanctions

Sanctions that Impact a Student’s Status

Sanctions may be imposed individually or in combination. Sanctions that affect a student’s status with the University include the following:

- **Expulsion** means that a student is removed from the University permanently and may not seek readmission.

- **Suspension for a Definite or Indefinite Period** means that the student must leave the University for a definite or indefinite period. This form of suspension anticipates that the student may eventually return if applicable conditions are satisfied.

- **Probation for a Definite or Indefinite Period** means that a student is not in good standing and may remain at
Sanctions that Do Not Impact a Student’s Status

Sanctions which do not affect a student’s good standing status with the University include, but are not limited to:

Educational Requirements. Completion of projects, programs, or requirements designed to help the student manage behavior and understand why it was inappropriate.

“No Contact” Orders. Compliance with orders of no contact that limit access to specific University areas or forms of contact with particular persons.

Housing Restrictions. Exclusion from University housing or change in housing arrangements.

Community Service. Completion of up to sixty (60) hours of community service over a period not to exceed twelve (12) weeks under guidelines established and monitored by the Title IX Coordinator and AVP of Student Experience.

Written Warning. Written warning in the form of an official reprimand that is formally communicated by a letter giving the student notice that any subsequent Title IX Policy violation will carry more serious sanctions.

8. Range of Protective Measures Available to a Victim Alleging Misconduct

The Title IX Coordinator will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: imposing a no contact order on the Respondent; residence hall room change for one or more involved parties; changes in academic schedules or assignments for one or both parties; and interim suspension of the Respondent.

Faculty, Staff, Affiliates, and Non-Affiliates

Title IX Sexual Violence and Sexual Misconduct Policy

Procedures for the Resolution of Sexual Misconduct Complaints against Faculty, Staff, Affiliates and Non-Affiliates Policy

1. How to File a Disciplinary Complaint Under this Policy

Any person should immediately report domestic violence, dating violence, sexual assault, and stalking to the UAB Police Department (UABPD) (205) 934-3535. The UABPD will also inform the University Title IX Coordinator of the incident. Any criminal investigation by UABPD or other law enforcement agency is independent from any disciplinary investigation undertaken by the University under this policy. Persons may also report prohibited conduct to:

Title IX Coordinator:
Kasey M. Robinson
Title IX Coordinator
Hill Student Center, Suite 303
1400 University Blvd
(205) 996-1340
Kaseyr@uab.edu

Athletics:
Bryant Carter (Deputy Title IX Coordinator)
Associate Athletics Director/CFO
Bartow Arena, East Tower 310-A
617 13th Street South
(205) 934-1900
bcarter@uab.edu
Regardless of whether a Complainant decides to pursue a criminal investigation, the University’s Title IX Coordinator will take immediate steps to investigate the report, to protect the Complainant, and to ensure the safety of the campus community. If a criminal complaint is filed in addition to the University complaint, the University will continue implementing its own procedures regardless of the time line of the criminal proceedings or their outcome, unless the University is advised by the UABPD or other law enforcement agency that doing so could jeopardize the criminal investigation. Victims of sexual violence are not required to report to law enforcement in order to receive assistance from or pursue any options provided by UAB.

2. **How the University Determines Whether This Policy will be Used**

   Any action involving faculty, staff, affiliates, and non-affiliates is referred to the Title IX Coordinator or Deputy Title IX Coordinator to determine if the policy is applicable.

3. **Steps in the Disciplinary Process**

    1. Complaint

        a. When a report is made, the Title IX Coordinator or Deputy Coordinator will conduct an Initial Assessment. The assessment will determine whether the alleged conduct could present a potential violation of the Title IX Policy and whether further action is warranted based on the alleged conduct.

        b. The Title IX Coordinator notifies the Complainant of the receipt of the report. This notice contains the applicable policies, rights of the Complainant, and resources.

        c. Initial Assessment

            i. There will usually be a preliminary meeting between the Complainant and the Title IX Coordinator or Deputy Coordinator.

            ii. At the conclusion of the Initial Assessment, the Title IX Coordinator will determine the appropriate resolution route. Resolution may include: 1) no further action, or 2) initiation of an Investigation and findings that may lead to disciplinary action.

        d. Voluntary Resolution

            i. Voluntary Resolution, when selected by the Complainant and deemed appropriate by the Title IX Coordinator, is a path designed to eliminate the conduct at issue, prevent its recurrence, and remedy its effects in a manner that meets the expressed preference of the Complainant and the safety and welfare of the campus community.

            ii. The University retains the discretion to determine, when selected by the Complainant, which cases are appropriate for Voluntary Resolution.
iii. Refer to the Procedures for the Resolution of Sexual Misconduct Complaints against Faculty, Staff, Affiliates and Non-Affiliates Policy for more information on Voluntary Resolution [http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000779.aspx](http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000779.aspx)

2. Notification

   a. The Title IX Coordinator will send the Complainant and the Respondent and, if applicable, the Respondent’s appropriate supervisor, a written Notice of Investigation, which constitutes the formal charge.

   b. The Notice of Investigation will contain a summary of the allegation or conduct at issue, the range of potential violations under the Title IX Policy, and the range of potential sanctions.

   c. The Notice of Investigation will contain a summary of the allegation or conduct at issue, the range of potential violations under the Title IX Policy, and the range of potential sanctions.

   d. Once the Notice of Investigation has been delivered to the parties, the Investigation phase begins.

3. Title IX Investigation

   a. Following the Initial Assessment, the University will initiate a prompt, thorough, and impartial Investigation of conduct that is a potential violation of the Title IX Policy.

   b. The Title IX Coordinator will designate an investigator(s) from the Title IX Coordinator and Human Resources, or an external investigator, who has training and experience investigating allegations of Prohibited Conduct.

   c. During the Investigation, the Complainant and Respondent will have an equal opportunity to be heard, to submit information, and to identify witnesses who may have relevant information. The investigator will speak separately with the Complainant, the Respondent, and any other individuals who are willing to participate and have information relevant to the determination of responsibility.

   d. Throughout the process, any participant may have an Advocate present at any meeting related to resolution of a report under the Title IX Policy. The Advocate can be anyone of the individual’s choosing, including an attorney, who is not otherwise a party or witness involved in the Investigation.

   e. The investigator will also gather any available physical or documentary evidence.

   f. At the conclusion of the investigation, the Investigator will prepare a report (the “Investigative Report”) summarizing and analyzing the relevant facts determined through the investigation, with reference to any supporting documentation or statements. However, before the report is finalized, the Complainant and Respondent will be given the opportunity to review a draft Investigation Report, which will not include the Investigative Finding, and may be presented in redacted format. The parties will not receive an electronic or written copy, nor may they photograph or copy the draft Investigation Report, but they will be permitted to take notes on the content.

   g. A Complainant and Respondent may submit any additional comment or information to the investigator within five (5) business days of the date of the notice of the opportunity to review the draft Investigation Report.

   h. The final Investigative Report will provide a summary of the Investigator’s impressions, including context for the evidence, and will make a determination as to whether the respondent’s conduct violated the Title IX Policy. The Title IX investigator will provide its determination, including the basis for the determination, in writing to the Complainant and the Respondent simultaneously. When the Respondent is determined not to have violated the policy, the matter will be closed. When the Respondent is determined to have violated the policy, the determination will also be forwarded to the appropriate person, as indicated below.

   i. The Investigative Report will then be provided to the Dean of the Respondent’s School or Col-
lege (if a faculty member),

ii. The Provost (if the complaint contains allegations against a Dean), or

iii. Relevant Vice President, Supervisor or Dean (if a staff member or third-party).

4. Final Determination as to appropriate disciplinary sanction

a. Faculty - In cases involving faculty respondents, the parties have the right to appeal the investigative determination and the sanction imposed by the respondent’s Dean to the Provost. Any appeal must be in writing and should be filed with the Title IX Coordinator within ten (10) calendar days of the date of receipt of the Dean’s final decision. Please refer to the Procedures for the Resolution of Sexual Misconduct Complaints against Faculty, Staff, Affiliates and Non-Affiliates Policy for more details about the appeal process [http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000779.aspx](http://www.uab.edu/policies/content/Pages/UAB-UC-PRO-0000779.aspx).

b. Staff - A determination as set forth above that a violation of the Title IX Policy has occurred shall subject a staff member to appropriate disciplinary action pursuant to the You & UAB Handbook. The University has adopted a philosophy of progressive discipline. However, one violation of this Policy could result in termination of employment. See You and UAB Handbook to review the applicable disciplinary and/or grievance process.

c. Resident - If the Title IX Investigator determines that a Resident violated the Title IX policy, the Title IX investigator will notify the Program Director and the Office of Graduate Medical Education. After reviewing the determination and in consultation with the Office of Graduate Medical Education and HR, the Program Director will follow the process set out in the applicable Graduate Medical Education Policies and Procedures manual.

d. Postdoctoral Fellows and Trainees - If the Title IX Investigator determines that a postdoctoral fellow or trainee violated this policy, the Title IX Investigator will notify the Office of Postdoctoral Affairs. After reviewing the determination and in consultation with HR and any other appropriate office, the process for similar conduct violations will be followed.

e. Community Member/Third-Part/Affiliate/Non-Affiliate/Campus Visitor - If the Title IX Investigator determines that a third-party, visitor, affiliate, community member or non-affiliate (i.e. an individual not affiliated with UAB) violated the Title IX policy, the Title IX Investigator will notify the relevant Vice President. After reviewing the determination and in consultation with any other appropriate office, sanctions will be determined.

5. Human Resources Investigation – All investigations and/or disciplinary proceedings will be conducted by University officials who are adequately trained on the issues related to these situations. The complainant and the respondent will not be permitted to directly question each other and are not required to be present together at any point during the process. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present. The accuser, the accused, and the appropriate officials are given timely and equal access to information that will be used during informal and formal disciplinary meetings and hearings.

6. Notification of Final Results – the accuser and the accused will be notified simultaneously, in writing, of any initial, interim and final results of any disciplinary proceeding; and where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing, of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final as well as of the final result once the appeal is resolved.

4. **Anticipated Timelines**

The University will seek to resolve every report of sexual misconduct within sixty (60) calendar days of the start of an Investigation, not counting any appeals. Best efforts will be made to complete the process in a timely manner by balancing principles of thoroughness and fundamental fairness with promptness. More specific timelines can
be found in the above section (Steps in the Disciplinary Process).

5. **Decision-Making Process**

   After review of the Investigative Report, the Dean (with the approval of the Provost), Provost, or relevant Vice President or Supervisor, after consultation with HR or any other appropriate office, will, if a violation of the Title IX policy has been found, make a final determination as to the appropriate disciplinary sanction for the respondent’s violation of the Title IX Policy.

6. **Standard of Evidence**

   Preponderance of the Evidence

7. **Possible Sanctions**

   Appropriate sanctions will be based on such factors as severity, frequency, and degree of deviation from expectations in the Title IX Policy. Possible sanctions may include, but are not limited to, no contact order, verbal counseling, written counseling or warning, official reprimand, mandatory counseling, mandatory attendance at the Employee Assistance Program, educational assignment, fines, restitution, paid or unpaid administrative leave, reassignment of responsibilities, ineligibility to receive raise or promotion, suspension of annual merit increase, decrease in salary, suspension, demotion, transfer, termination of employment, campus ban/no trespass warning from UABPD, prohibition on further employment at the University, loss of University benefits for retirees, and referral to proper law enforcement authorities for prosecution.

   The Title IX Coordinator will inform the Complainant that appropriate corrective action has been taken, but cannot reveal the specifics of the action if it is a confidential personnel action.

8. **Range of Protective Measures Available to a Victim Alleging Misconduct**

   Interim measures are available upon receipt of a report of Prohibited Conduct and prior to the resolution of a complaint, as appropriate. The Title IX Coordinator will work with the appropriate office(s) to ensure that any necessary interim measures are promptly provided. Examples of interim protective measures include, but are not limited to: imposing a no contact order on the Respondent; residence hall room change for one or more involved parties; changes in academic or work schedules or assignments for one or both parties; and interim suspension or imposed probation of the Respondent.

   **UNIVERSITY-INITIATED PROTECTIVE MEASURES**

   In addition to those protective measures previously described, the Title IX Coordinator or their designee will determine whether interim interventions and protective measure should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: a University order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator’s directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by the University.

   **STUDENT RIGHTS IN THE STUDENT CONDUCT PROCESS (DUE PROCESS)**

NOTIFICATION TO VICTIMS OF CRIMES OF VIOLENCE

The University will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

FEDERAL CAMPUS SEX CRIMES PREVENTION ACT

The Federal Campus Sex Crimes Prevention Act, (section 1601 of Public Law 106-386) enacted on October 28, 2000, went into effect October 28, 2002. It is a law that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or those working or volunteering on campus. The law requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already registered in a State to provide notice to the appropriate state agency, as required under state law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. Information on registered sex offenders can be obtained on the Alabama Law Enforcement Agency’s website: http://dps.alabama.gov/Home/Default.aspx, located under the Sexual Offenders link.

SEX OFFENDER REGISTRATION

The Federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also mandates sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student.

In Alabama, convicted sex offenders must register with the sheriff of the county of his or her legal residence. Information on Registered Sex Offenders can be obtained at the UAB Police Department or on the Alabama Law Enforcement Agency’s website: http://dps.alabama.gov/Home/Default.aspx, located under the Sexual Offenders link.

DISTRIBUTION OF TIMELY WARNINGS

The department distributes timely warnings via the University’s B-ALERT emergency notification system to communicate through voice calls, SMS text messages and emails to the entire campus all at the same time. B-ALERT also integrates with Facebook and Twitter. Timely Warnings are issued to alert the University community to certain crimes in a manner that is timely and will aid in the prevention of similar crimes. Once the University determines that an alert will be issued, the Information Technology Department e-mails the announcement and the police department posts it on its website at uab.edu/police. The department may also post alerts on bulletin boards throughout campus and send “Be On the Look Out” (BOLO) to local law enforcement agencies.

DAILY CRIME LOG

The UAB Police Department maintains a Daily Crime Log that records, by the date the incident was reported, all crimes, and other serious incidents that occur on campus, in a non-campus building or property, on public property, or within the department’s patrol jurisdiction. It is our policy to prepare an annual disclosure of crime statistics via our Annual Security and Fire Safety Report, our Daily Crime Log and on our department’s website. The Daily Crime Log is available for public inspection at the department’s headquarters. The Daily Crime Log includes the nature, date, time, and general location of each crime reported to the department, as well as the disposition of the complaint if this information is known at the time the log is created. The department posts specific incidents in the Daily Crime Log within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.
EMERGENCY PREPAREDNESS, RESPONSE, AND EVACUATION PROCEDURES

The University of Alabama at Birmingham has long recognized the need to be prepared for critical incidents. Under the guidance of the University Safety Committee, various department and offices work together to ensure the University is doing all it can to prepare for, prevent, respond to, and recover from emergencies. In conjunction with local first responders, such as the Birmingham Police Department and Birmingham Fire and Rescue, the University is well prepared to respond to a full range of critical incidents.

The Office of Occupational Health and Safety (OH&S) and the University Police Department work together to ensure our emergency protocols and plans are updated, as needed, and are applicable as new risks are identified. The University’s emergency planning website, located at [www.uab.edu/emergency](http://www.uab.edu/emergency), not only contains important information about what to do during an emergency, but it also outlines the various initiatives underway to enhance preparedness. One such initiative is the University of Alabama at Birmingham Emergency Notification System. This system is used to send text messages to cell phones and pagers when urgent information needs to be communicated quickly to the University community.

Upon immediate confirmation by the University Police Department or other University administrators (President, President’s Cabinet, and Emergency Management) that an emergency incident has occurred on campus, the University will immediately issue an emergency notification to the campus community via the University’s B-ALERT emergency notification system to communicate through voice calls, SMS text messages and emails to the entire campus all at the same time. Face-to-face communication might be utilized as well, if appropriate. B-ALERT also integrates with Facebook and Twitter. However, if issuing a notification, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, the University may decide not to issue the notification immediately. Appropriate University administrators (University Police, or President, President’s Cabinet, or Emergency Management) will determine the necessary segment or segments of the campus community to receive an emergency notification(s): such as the entire campus community, or the affected residence hall or halls, or the affected campus building or buildings, or the affected hospital(s); determine the content of the notification, such as the University Police Department will determine how much information is appropriate to disseminate at different points in time to the entire campus community, or the affected area(s); part of this information may tell the residents, students, and/or employees to shelter in place or to tell commuter students and employees to stay away from campus; and initiate the notification system. The UAB administrators responsible for carrying out the above actions are as follows: The President, The President’s Cabinet, the University Police Department, and Emergency Management.

The larger community is highly encouraged to go to the University’s emergency planning website, located at [uab.edu/emergency](http://uab.edu/emergency), to obtain emergency information. UAB will test (announced or unannounced) the emergency notification system on an annual basis and publicize its emergency response and evacuation procedures in conjunction with its annual test per calendar year. UAB will document each annual test, including a description of the exercise, the date, time, and whether it was announced or unannounced.
CRIMINAL INCIDENTS ON CAMPUS

The University Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our website at uab.edu/police. This report is prepared in cooperation with the local law enforcement agencies surrounding our campus, Student Housing and Residential Life, the Office of Student Conduct, and the Office of Financial Affairs and Administration. Each entity provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the UAB Police, designated campus officials (including but not limited to directors, deans, department heads, student conduct, advisors to students/student organizations, athletic coaches), and local law enforcement agencies.

Each year, an email link is made available via the Kaleidoscope, GreenMail, eReporter, undergraduate and graduate admissions, and human resources management in reference to the website to access the Annual Security & Fire Safety Report. Copies of the report may also be obtained at the University Police Department Headquarters located at 1117 14th Street South Birmingham, AL or by calling 205-934-4649.

UNFOUNDED CRIMINAL INCIDENTS

“Unfounded” means that an investigation has shown that the incident or offense did not occur. An offense or incident cannot be “unfounded” just because stolen property was recovered and/or the victim refuses to prosecute, or an arrest was not made.

CRIME STATISTICS (on page 48)

Major crimes reported to the UAB Police Department for January through December of the most recent three-year period are listed in the following chart. UAB Police Incident Reports are subject to Alabama’s Uniform Crime Reporting Program and the Alabama Open Records Act. The Code of Alabama (Section 36-12-40) states that every citizen has a right to inspect and take a copy of any public writing of this state, except as otherwise expressly provided by statute. Disciplinary referrals for violations of the Student Code of Conduct, which may include some criminal offenses specified for this report, are sometimes made directly to the Office of Student Conduct by individuals or campus organizations other than the UAB Police.

Note: Any incidents that may have been reported only to pastoral and professional counselors of the University are generally protected by privacy rights of the client or patient and are not included in any of the following statistics, nor for any timely warning notifications to the campus.

ADDITIONAL SOURCE OF STATISTICAL INFORMATION

UABPD has developed, and periodically reviews, procedures to include in reported crime statistics and for the purpose of making timely crime alerts, reports of required crimes made to campus security authorities. Campus Security Authorities (CSAs) at UAB include employees of the UABPD; other individuals and third party vendors who are responsible for campus security; the University’s Title IX Coordinator; Title IX Investigator; designated harassment resource persons; and any officials of the University who have significant responsibility for student and campus activities. A Clery Incident Reporting Form (https://uab.edu/police/report-a-crime/campus-security-authority-incident-report-form) is available to CSAs to assist in the collection of crime statistics. Although all CSAs are required to report crimes for inclusion in the statistics, UABPD regularly collects crime statistics data from the following CSAs either directly or indirectly through a centralized reporting channel: the Office of the Vice President for Student Affairs, Office of Student Conduct, Athletics, the Office of Residential Life, and Study Abroad.

Any use of alcoholic beverages on campus must be in compliance with the Alabama law prohibiting the use of alcohol by persons under the age of 21. Students of legal drinking age in Alabama may possess and consume alcoholic beverages in their private residence. See the entire Use and Consumption of Alcoholic Beverages Policy at [http://www.uab.edu/policies/content/Pages/UAB-AD-POL-0000071.aspx](http://www.uab.edu/policies/content/Pages/UAB-AD-POL-0000071.aspx). **Illegal Drugs**

University regulations prohibit the possession or use, without a valid prescription, of any substance currently classified as a dangerous drug by the Alabama Controlled Substance Act. Any individual breaking the law will be subject to disciplinary action and arrest. See the entire Student Conduct Policy at [http://www.uab.edu/policies/content/Pages/UAB-UC-POL-0000781.aspx](http://www.uab.edu/policies/content/Pages/UAB-UC-POL-0000781.aspx).
**Substance Abuse Education**

UAB is committed to maintaining a campus free of drug and alcohol abuse and assisting all employees and students in finding ways to address these problems. Educational programs addressing these issues are supported and encouraged through a variety of departments. Anyone aware of problems with roommates, friends, or coworkers is encouraged to contact the appropriate office for help.

**Substance Abuse Assistance**

For students with substance abuse problems, assistance is available through the UAB Student Health and Wellness Center. The Student Health and Wellness Center has experienced professional counselors and psychologists to assist students in need. Students are scheduled for individual appointments, and all information is kept strictly confidential. They have a full-time substance abuse prevention coordinator and trained student peer educators available to provide information individually or in-group settings. The Student Health and Wellness Center is located at 1714 9th Avenue South, Birmingham, AL 35294. For more information, students are encouraged to contact one of the following numbers:

1. Student Health and Wellness Center (205) 934-3581
2. Student Health and Wellness Counseling Services at (205) 934-5816

UAB faculty and staff may obtain assistance through the Office of Human Resources Employee Assistance Program at (205) 934-2281. Alcohol and drug assistance programs are available, including referral to community agencies. Counseling and referral services are provided by appointment, and all information is confidential. The Employee Assistance Program also offers training and educational programs regarding drug and alcohol awareness. Please refer to the University’s Drug-Free Workplace Policy for additional information [here](http://www.uab.edu/policies/content/Pages/UAB-AD-POL-0000047.aspx). The Employee Assistance Program has two locations, 2112 11th Avenue South, Birmingham, AL 35205, and at Employee Health North in the Russell Clinic 1813 6th Avenue South 3280, Birmingham, AL 35233.

**HOW TO BE AN ACTIVE BYSTANDER**

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.” We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. Further information regarding bystander intervention may be found at [here](http://www.nsvrc.org/bystander-intervention-online-learning-opportunities). If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

- Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
- Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
- Speak up when someone discusses plans to take sexual advantage of another person.
- Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
- Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

**RISK REDUCTION**

With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one’s risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, [www.rainn.org](http://www.rainn.org))

- **Know your resources.** Who should you contact if you or a friend needs help? Where should you go? Locate resources such as the campus health center, campus police station, and a local sexual assault service provider.
Notice where emergency phones are located on campus, and program the campus security number into your cell phone for easy access.

- **Stay alert.** When you’re moving around on campus or in the surrounding neighborhood, be aware of your surroundings. Consider inviting a friend to join you or asking campus security for an escort. If you’re alone, only use headphones in one ear to stay aware of your surroundings.

- **Be careful about posting your location.** Many social media sites, like Facebook and Twitter, use geolocation to share your location publicly. Consider disabling this function and reviewing other social media settings.

- **Make others earn your trust.** A college environment can foster a false sense of security. They may feel like fast friends, but give people time to earn your trust before relying on them.

- **Think about Plan B.** Spend some time thinking about backup plans for potentially sticky situations. If your phone dies, do you have a few numbers memorized to get help? Do you have emergency cash in case you can’t use a credit card? Do you have the address to your dorm or college memorized? If you drive, is there a spare key hidden, gas in your car, and a set of jumper cables?

- **Be secure.** Lock your door and windows when you’re asleep and when you leave the room. If people constantly prop open the main door to the dorm or apartment, tell security or a trusted authority figure.

**Safety in social settings**

- **Make a plan.** If you’re going to a party, go with people you trust. Agree to watch out for each other and plan to leave together. If your plans change, make sure to touch base with the other people in your group. Don’t leave someone stranded in an unfamiliar or unsafe situation.

- **Protect your drink.** Don’t leave your drink unattended, and watch out for your friends’ drinks if you can. If you go to the bathroom or step outside, take the drink with you or toss it out. Drink from unopened containers or drinks you watched being made and poured. It’s not always possible to know if something has been added to someone’s drink. In a drug-facilitated sexual assault, a perpetrator could use a substance that has no color, taste, or odor.

- **Know your limits.** Keep track of how many drinks you’ve had, and be aware of your friends’ behavior. If one of you feels extremely tired or more drunk than you should, you may have been drugged. Leave the party or situation and find help immediately.

- **It’s okay to lie.** If you want to exit a situation immediately and are concerned about frightening or upsetting someone, it’s okay to lie. You are never obligated to remain in a situation that makes you feel uncomfortable, pressured, or threatened. You can also lie to help a friend leave a situation that you think may be dangerous. Some excuses you could use are needing to take care of another friend or family member, an urgent phone call, not feeling well, and having to be somewhere else by a certain time.

- **Be a good friend.** Trust your instincts. If you notice something that doesn’t feel right, it probably isn’t. Learn more about how to keep your friends safe in social settings.

- **If you suspect you or a friend has been drugged, contact law enforcement immediately.** UAB Police Department can be reached at (205) 934-3535 (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

**ADDITIONAL SAFETY TIPS**

- Be alert. Watch for obvious strangers around your office, your home, or apartment. Check for signs of a break-in before entering an empty house, office, or car. Call the police if you see signs of forced entry to a building or a car.

- Call the police if you are experiencing any minor theft problems over a period of time.

- Involve your associates. If you are expecting a delivery or a guest in your absence, leave your keys with a neighbor or a coworker. Let your office staff and neighbors know when you will be away from home and ask them to challenge
strangers in the area.

- Maintain a record of serial numbers of your property and of identification and credit cards. Include a brief description with each and keep this information in a safe place.

- Report any crime or suspicious activity to the police. Be prepared to supply as much information as possible, such as descriptions of people, property, and cars.

- Post the number for the UAB Police Department (205) 934-3535, and your local police and fire departments, near your phone at work and at home.

- If you need to contact the Police while on campus, use one of the HELP phones located in key areas around campus. Take a few minutes now to review the Help Phone Map (see page 58) to locate and identify HELP phones in those areas where you park, work, walk or play. Simply lifting the receiver or pushing the red button of one of these green and yellow phones will put you through to the UAB Police Dispatcher immediately.

- If you would like additional information on crime prevention or wish to discuss a problem that may be crime related, contact the UAB Police Department at (205) 934-4434. Help prevent crime and help to have a safe home, study, and work environment. Victims needing counseling for psychological or physical reasons may contact one of the following on-campus and off-campus offices for further information:

Important Definitions

**Fire**: Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

**Cause of fire**: The factor or factors that give rise to a fire. The causal factor may be, but is not limited to, the result of an intentional or unintentional action, mechanical failure, or act of nature.

**Fire drill**: A supervised practice of a mandatory evacuation of a building for a fire.

**Fire-related injury**: Any instance in which a person is injured as a result of a fire, including an injury sustained from a natural or accidental cause while involved in fire control, attempting a rescue, or escaping from the dangers of the fire. The term person may include students, faculty, staff, visitors, firefighters, or any other individuals.

**Fire-related death**: Any instance in which a person

1. Is killed as a result of a fire, including death resulting from a natural or accidental cause while involved in fire control, attempting rescue, or escaping from the dangers of a fire; or

2. Dies within one year of injuries sustained as a result of the fire.

**Fire safety system**: Any mechanism or system related to the detection of a fire, the warning resulting from a fire, or the control of a fire. This system includes sprinkler systems or other fire extinguishing systems, fire detection devices, stand-alone smoke alarms, devices that alert one to the presence of a fire, such alarms, bells, or strobe lights; smoke-control and reduction mechanisms; and fire doors and walls that reduce the spread of a fire.

**Value of Property Damage**: The estimated value of the loss of the structure and contents, in terms of the cost of replacement in like kind and quantity. This estimate should include contents damaged by fire, and related damages caused by smoke, water, and overhaul; however, it does not include indirect loss, such as business interruption.

Residence halls fire prevention information

**Smoke detectors and sprinkler systems**: All residence halls have smoke detectors and sprinkler systems installed and a Fire Alarm Control Panel. There are smoke detectors in each student room as well as in common areas. These are connected to the central alarm system, which, in turn, is connected to the UAB Police Department.

**Fire Safety Equipment**: All suites/apartments are equipped with smoke detectors. Each floor in each residence hall is equipped with fire extinguishers. Fire alarm pull stations are located on each corridor of each hall. Tampering with fire safety equipment or setting off a false alarm is against the law. It also will make the system ineffective and endanger the lives of other residents. Any person, who sets off a false alarm, interferes with the operation of the alarm system, damages or removes any part of the alarm system, fire extinguishers, smoke detectors, or exit signs are subject to severe disciplinary action, including dismissal from the residence halls, possible suspension from the University, and/or criminal prosecution. If a smoke detector is detached from the wall for any reason, it is the responsibility of the resident to report it immediately. If not reported, all residents will be held responsible for tampering with fire safety equipment and will be disciplined and/or fined.

**Fire safety education**: To comply with state and local fire regulations and for fire safety education, unannounced fire drills are conducted every semester. All persons inside the residence hall during emergency drills are required to evacuate the building. Failure to evacuate the residence hall for any reason, including sleeping through an alarm, may result in disciplinary action.

**Fire evacuation procedures**: In the event of a fire, all residence hall buildings will be evacuated to protect the health and safety of the residents, guests, and visitors. When an alarm is sounded, you must assume there is an emergency, and you must follow the following steps.

1. **REMAIN CALM**.
2. Evacuate by the nearest safety exit stairway.
3. **DO NOT USE ELEVATORS**. Elevators will either automatically return to the first floor, or the UAB Police will return them
to the first floor.

(4) Residents who cannot traverse stairs should exit through the main entrance if they are on that floor. If on a higher floor, these residents should report to the nearest stairwell and wait safely inside. Emergency personnel or Student Housing and Residence Life staff will help residents and guests waiting in the stairwell.

(5) After departing the hall, proceed directly to the designated assembly point away from the building. Do not leave the assembly area until told to do so by a responsible official. A suitable emergency shelter will be provided as soon as possible.

(6) Return to the hall ONLY when told by the Birmingham Fire Department Officials, UAB Police, or a Student Housing and Residential Life staff member.

**Fire safety regulations**

It is essential that residents observe the following fire safety regulations:

1. Do not leave appliances unattended while in use.
2. Do not overload electrical circuits.
3. No open flames (candles, incense, kerosene lamps, etc.) or any incendiary devices are permitted in residence hall rooms/suites/apartments.
4. The storage or use of flammable liquid or substances is prohibited.
5. Fireworks are not permitted.
6. Electrical appliances (toaster ovens and deep fryers) with exposed heating elements are prohibited. All appliances must be UL approved.
7. The use of multi-outlet plugs is prohibited, except for those with built-in circuit breakers.
8. Motorcycles, motor scooters, and other internal combustion engines are not permitted inside or adjacent to the buildings. Consult the UAB Department of Transportation Services for approved parking areas.
9. Bicycles may not be kept in hallways/stairwells, attached to fire equipment, or placed in any manner that interferes with an exit from the building.
10. Smoking is prohibited in all University buildings, including residence hall balconies.
11. In the event of a grease or food fire on top of the stove eye, do not attempt to lift or move the container. Instead, turn off the stove eye and cover the pot with a metal lid. If the container is inside the oven, turn the oven off and leave the oven door closed.
12. Halogen lamps and medusa lamps are not permitted in the Residence Halls.
13. Hanging anything from the ceiling and/or balcony is not permitted. This includes, but is not limited to: hanging lights, string lights, and hanging baskets.
14. String hanging lights are not permitted outside apartments/suites, including balconies.
15. Fog machines are not permitted in the residence halls. This includes using fog machines for decorative purposes.
16. Any use of portable space heaters must be approved by the Office of Student Housing and Residence Life.

**Reporting a fire**

To report a fire, students, and employees should contact the UAB Police, Birmingham Fire Department, or a Student Housing and Residential Life Staff member.
Fire Log

The UAB Police Department maintains a Fire Log that records, by the date the incident that was reported, all fires that occur in an on-campus housing facility. The Fire Log is available for public inspection at the department’s headquarters. The Fire log includes the nature, date, time, cause, and general location of each fire reported to the department. The department posts fire incidents on the Fire Log within two business days of receiving a report of a fire and reserves the right to exclude reports from the log in certain circumstances.
