School of Health Professions
Department of Physical Therapy
Full-time Tenure Track Faculty Position

The University of Alabama at Birmingham is a RU/VH: Research University. The research mission of UAB strongly promotes and supports collaborative efforts among the academic and clinical communities. UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of, race, national origin, age, genetic or family medical history, gender, faith, gender identity and expression as well as sexual orientation. UAB also encourages applications from individuals with disabilities and/or who are veterans.

Title and Salary: Full-time, 12-month, tenure track faculty position, at Assistant Professor/Associate Professor/Professor level. Rank, salary, and tenure status commensurate with qualifications and experience.

Qualifications: Academic doctorate degree required with a history of obtaining external funding for research or the ability to show significant potential for future funding and research collaboration within the university. Postdoctoral training and academic experience in rehabilitation sciences preferred.

Responsibilities: Conducting rehabilitation related research, securing research funding, service, and mentoring of students in scholarly research activity. Teaching assignments in either the Doctorate in Physical Therapy and/or Rehabilitation Science PhD programs is negotiable.

Availability: Applications accepted and reviewed until position is filled.

Application Procedure: Send letter of application, curriculum vitae, statement of research interests and names, addresses, and telephone numbers of three references to:
