Purpose:
To recognize a faculty member who has made significant scholarly contributions resulting in the advancement of knowledge. Contributions may include but are not limited to funded research, non-funded research, involvement in research process, publications in peer reviewed journals, authorship of book or chapter, presentations at professional meetings, and national or international recognition.

Eligibility:
Full-time or part-time faculty whose primary appointment is in the School of Health Professions and who has been employed within the School for a minimum of one year (full-time) or two years (part-time).

Procedure:
Nominations may be made by any full or part-time faculty or staff employed within the School of Health Professions. Submit the following to the SHP Honors and Recognition Committee.

- Nomination form including a description of the research area which greatly contributes to new knowledge (500 words or less).
- Nominee’s curriculum vitae.
- Any other materials submitted to the committee will not be reviewed.

Selection:
The SHP Honors and Recognition Committee will select the recipient based on documentation submitted. The award will be made at the annual SHP Faculty and Staff Recognition luncheon.
