The tuition for the Executive Master of Science in Health Administration (MSHA) Program for the fall of 2016 is $29,800 per year (or $9,933 per semester). The total fee for the two year program is currently $59,600. However, tuition is subject to change each year. A non-refundable deposit of $1,000 is required at the time of acceptance to the program. The deposit is then applied to the tuition charge.

The Executive MSHA tuition includes a laptop computer (or iPad), all fees, books, and learning materials. It also includes meals and refreshments provided during breaks, speaker costs associated with national experts brought to Birmingham, and costs associated with supporting distance learning technologies. Tuition also covers the cost of lodging, meals, and program materials for the 2-3 day Preceptorship (during the last semester).
