UAB MSPAS/MPH: You Deserve More

The coordinated MSPAS/MPH degree, with a unique opportunity to combine PA education and public health practice experience, provides you more than your peers.

More Competitive
Set yourself apart as a multi-talented collaborator who can expertly deal with population health issues.

More Knowledge
Enhance your skills in assessing community health, developing and analyzing policies and improving strategies in quality care.

More Opportunities
Focus in one of four areas: Environmental Health Science, Epidemiology, Health Behavior or Health Care Organization and Policy.

Choose UAB MSPAS/MPH and you choose more.
Prerequisite Courses
(UAB or other institution)
